## EDITORIAL ...

As in any latrine, the old  
must be flushed away to make  
room for the new and such is  
the case as this year's staff  
bids a final  with ten  
returning fish heads, next  
year's staff will greet your  
solemn return for the fall  
of '73'. It is with this issue  
that I wipe my  of the  
matter and hand it over to  
to Dan (Threen) Heim, CWDS-06,  
who will guide you thru the  
next year. The staff also bids  
a cheerful good bye to OIC  
Capt Sands and Colonel Till.  
I hope every body is looking  
forward to June Weekend  
especially the Athletic Awards  
Banquet where Aero majors will  
be able to show off the new  
year's models and all will be able  
to catch up on their reading.

See ya later,

wee Wee Monsewer —

Well, Spring has Sprung in all its glory: the birds are back, the grass is greener and all the AOC's have gotten out their trench coats and recordings of "Secret Agent Man" to begin the Annual USAFA Invitational 2° Car Hunt and Capture (the word "crucifixion" may be freely substituted for "capture") OF course if all you 2° want to be Permanent Project Officers next year, just leave

your Keys to your unauthorized car with your AOC; but be assured that no legal action will be taken against you.

Our sympathies go to the Family of the M.T. instructor who died of a heart attack. It seems he was stricken when he found out that the losing team of his Big Stick II war game consisted of 5 cadets on Comm's List while the winners were 3 Ap Pro'ers!

Charlie, Jollie Ollie (our beloved leader) and I went to a seance the other day. While our eyes were transfixed upon the crystal ball the medium began to conjur up the spirits. Suddenly Jollie Ollie began to speak with the voice of Virgie-Poo, and he kept on repeating this poem:

"4 and 1 or 1 and 20  
You decide which  
IF you decide like we want you to —  
Say "hello B.F. Goodrich."

Suddenly Jollie Ollie leapt up and ran out the door screaming: "I am Virgil the Magnificent, and I am alive and living in Jollie Ollie!" He was never seen again. When Charlie & me got back we began to hear strange tales of beheaded cadets being carried out of the barbershop, of the many tortures of the Cowboy and of the mass executions at the noon meal formation.

One victim who survived the onslaught of the Cowboy said he sat down in the chair and said "Block Cut Please." Then he suddenly found himself strapped into the chair, the Cowboy leapt up on the chair (spurs on boots) and proceeded to square off his head with an axe. They say the plastic surgeon did a pretty good job but he'll always have that one big gash.....

Will leave now until next semester. Just remember all you hot dogs in 7°: once you get here on July 2 everything will be AOK; just AOK, AOK, AO, AO, AO, AO, AO, AO, love to run, in the sun, AO, AO, AO, AO, no, no, .....

p.s. Look for a possible Summer issue."

# THE BATTLE OF GRIRIDGE

## SELECTED ITEMS FROM "THE SEMESTER ONE WAR"

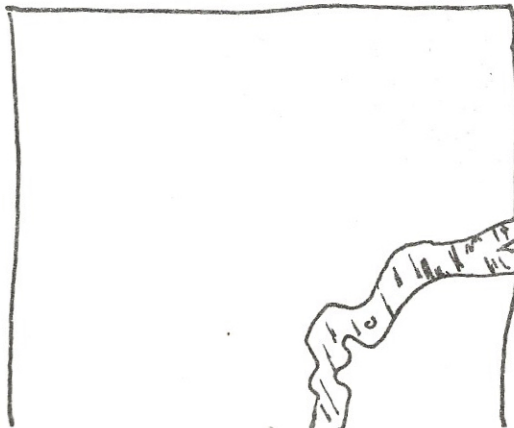

BY DR. HENRY ALFONDO BYONDO (P.F.T., Z.I.T., E.T.C., E.T.C.)

FORCES UNDER THE COMMAND OF USE EATITBIG REACH THE BASE OF "THE RAMP", A HEAVILY DEFENDED POSITION MANNED BY MILITIAMEN AND D.O.D. FORCES (DEPARTMENT OF THE DEAN). AFTER A ROUGH CROSSING OF THE SMACKYEAR RIVER (SEE "THE GREAT WAR OF ATTRITION PRECEDING THE SEMESTER ONE WAR" ALSO BY DR. HENRY ALFONDO BYONDO (P.F.T., Z.I.T., O.I.C., S.O.D., B.O.R., D.O.A., E.T.C., E.T.C.)) EATITBIG REACHED HIS PRESENT POSITION ON T-DAY 21. HIS MAIN OBJECTIVE WAS TO FOLLOW THE P AND S RAILROAD TO AIESNBYS IN ORDER TO GAIN SANCTUARY AGAINST THE STRONG D.O.D. FORCES STATIONED TO THE NORTHWEST AT DOUBLELY AND AERO. HIS FIRST CORP, UNDER BATTLEHARDENED MAJ. GEN. BICPEN (SEE "BICPEN RUNS OUT, A CRITIQUE OF THE HISTORY 201 ESSAY") AND HIS SECOND CORP UNDER GEN. WAGMASTER, MASTER OF THE HEXAGONAL ROLL, WHICH HAD BEEN PARTICULARLY EFFECTIVE AGAINST D.O.D. MULTIPLE CHOICE UNITS, WERE UNWILLING TO ENGAGE UNTIL WEATHER CONDITIONS WERE FAVORABLE.

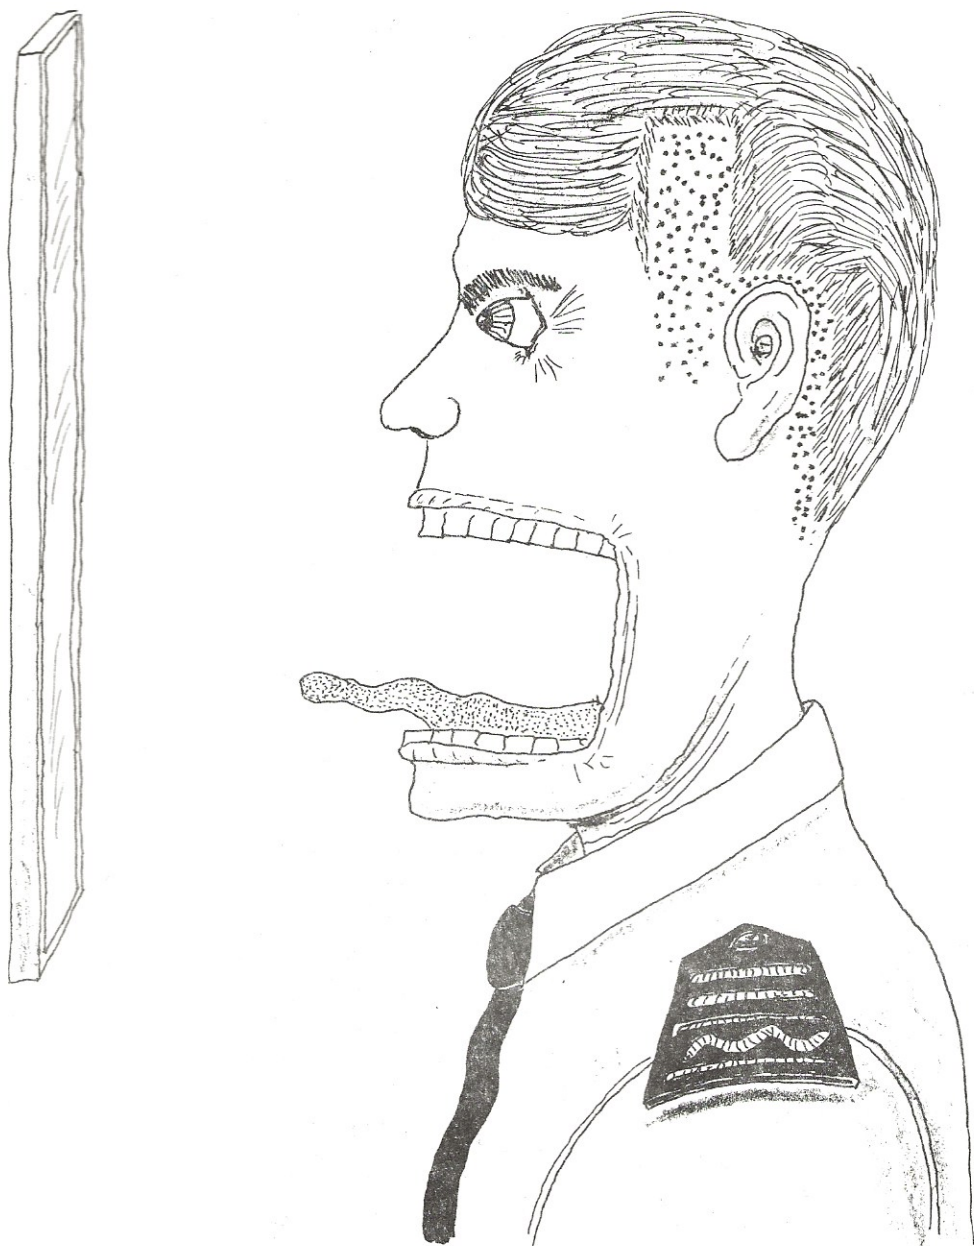

AFTER A REPEATED ATTEMPT BY THE SECOND CORP ON COMP SCI, EATITBIG'S REGULARS WERE REBUFFED BY 5500 MILITIAMEN UNDER THE COMMAND OF MAJ. GEN. WILLIAM BURROUGHS. CONSTANT HARASSMENT BY TRUE/FALSE AND MULTIPLE CHOICE ELEMENTS OF D.O.D.'S FIRST CORP STRANDED EATITBIG'S FIRST CORP WITHIN A PERCENTAGE POINTS OF AIESNBYS (PRONOUNCED A' + B'). ON M-DAY 22 A DARING ATTEMPT TO BREACH THE D.O.D.'S LINE IN THE FAMOUS BATTLE KNOWN AS PHYSICS FOLLY. TAKING TWO REGIMENTS FROM THE SECOND CORP, GEN. WAGMASTER REACHED AND DESTROYED SANITY BUT SUFFERED HEAVY CASUALTIES ON THE WAY BACK TO HIS LINES DUE TO GEN WILLIAM BURROUGHS (KNOWN BY HIS COHORTS AS "BILLIE") STRONG BATTERY OF SHORT ANSWERS AND DISPERSED FILL-IN-THE-BLANK UNITS PATROLING THE OUTSKIRTS AND FRINGE AREAS OF SANITY. IT WAS DURING THIS BATTLE THAT COLONEL SIN TAX UTTERED THOSE IMMORTAL WORDS, "ERROR NUMBER 100, ERROR NUMBER 139, ERROR NUMBER 002, SORRY, TOO MANY ERRORS TO CONTINUE!" TO WHICH GEN. WAGMASTER REPLIED, "WHEN IN DOUBT, PUNT!"

ON T-DAY 22 A HEAVY BLANKET OF SNOW, MADE PATHS AND RAILROADS ALIKE IMPASSIBLE. HOWEVER BOTH FORCES CONSIDERED THE CHANGE IN WEATHER AND EXCELLENT OPPORTUNITY FOR DECISIVE MANEUVERS. SHOWN IN OUR ILLUSTRATION TO THE LEFT IS THE MAIN LESSON TO BE GAINED BY HISTORIAN AND STUDENT ALIKE. AS GENERAL EATITBIG SAID, "ONE STEP TO THE RIGHT, TO GAIN TWO STEPS TO THE LEFT AND THEN THE CHA-CHA-CHA!" AS YOU CAN SEE, THIS BRILLIANT STRATEGY ALLOWED HIM TO RETREAT WITH A MERE 75% CASUALTIES. D.O.D. FORCES MAIN MOVE WAS TO FORTIFY FOR WHAT WOULD PROVE TO BE THE FINAL OFFENSIVE OF THE WAR CALLED "THE FINALS", DUE TO THEIR VAST SUPERIORITY IN THE FIELD OF MEN AND MATERIEL, AND THEIR ACE IN THE HOLE, THE MAKEUP QUIZ, VICTORY WAS INEVITABLE BY T-DAY 40.

# BIG SHITICK II

RETURN WITH US NOW, TO THOSE THRILLING DAYS OF YESTER-SEMESTER. WHEN YOU (73) GOT A CHANCE TO FIGHT FOR YOUR COUNTRY... IN... **BIG SHITICK II!**

A SHORT INTRODUCTION: BIG SHITICK II STARTED OUT AS, WELLS BUT, BIG SHITICK I — BEFORE THAT, PROBABLY BIG SHITICK ZERO. THE POINT IS... IT WAS A WAR GAME USED BY THE COLLEGE TO TRAIN STRATEGISTS. HOWEVER, THE GAME GAINED IN POPULARITY AND SOON THE STAFF HAD TRAINED THEIR WIVES AND CHILDREN... IT BECAME A SUNDAY-AFTERNOON-WITH-TEA GAME. EVENTUALLY IT REACHED USAFA AND WAS INCORPORATED INTO THE M.T. 3RD COURSE. SO HERE IT IS... GRAB YOUR BATTLE MAP AND LET'S GO... !

## PLAYERS NEEDED...

- 1 TEAM CHIEF
- 1 SAC CHIEF
- 1 TAC CHIEF
- 1 ADC CHIEF
- 1 BUDGET PLANNER
- 1 QUACKER
- 1 RANDOM NUMBER CALLER
- 1 FREAK

— EXTRA PLAYERS MAY BE ASSIGNED AS HARASSERS

— GREEN TEAM (SEE RULES)

1 SPY

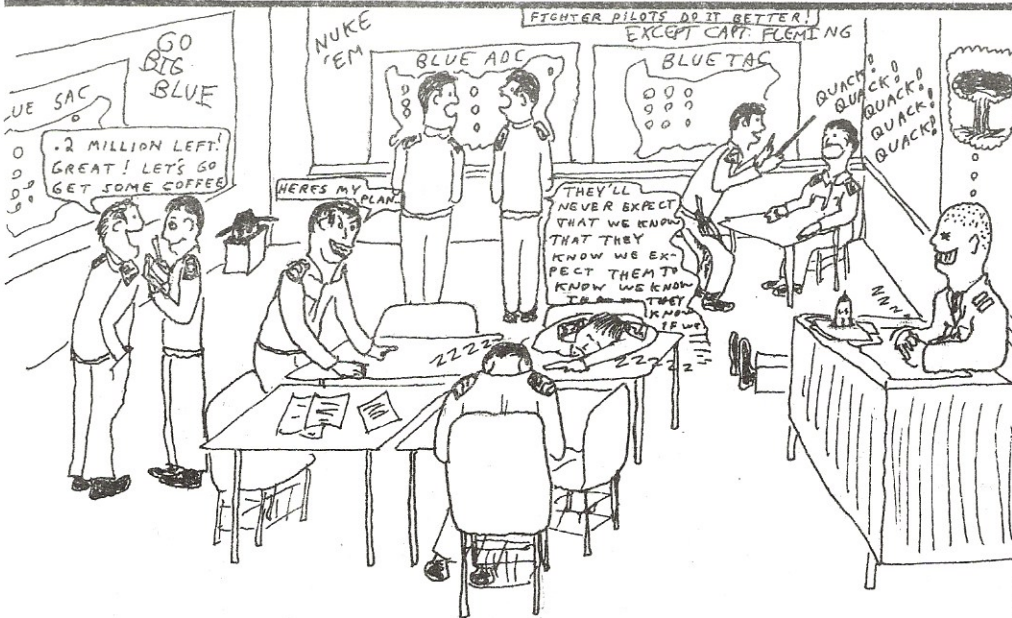

## RULES:

THERE ARE TWO TEAMS — RED AND BLUE. AN OPTIONAL GREEN TEAM MAY BE EMPLOYED FOR CREATING SOUND EFFECTS. THE OBJECT OF THE GAME IS TO SCORE THE MOST AMPUNT OF POINTS — THE FIRST TEAM TO DO THIS IS THE WINNER. THE GAME IS DIVIDED INTO 4 PARTS:

- A. PLANNING
- B. NUCLEAR EXCHANGE
- C. ACTUAL BATTLE
- D. POLICING THE AREA

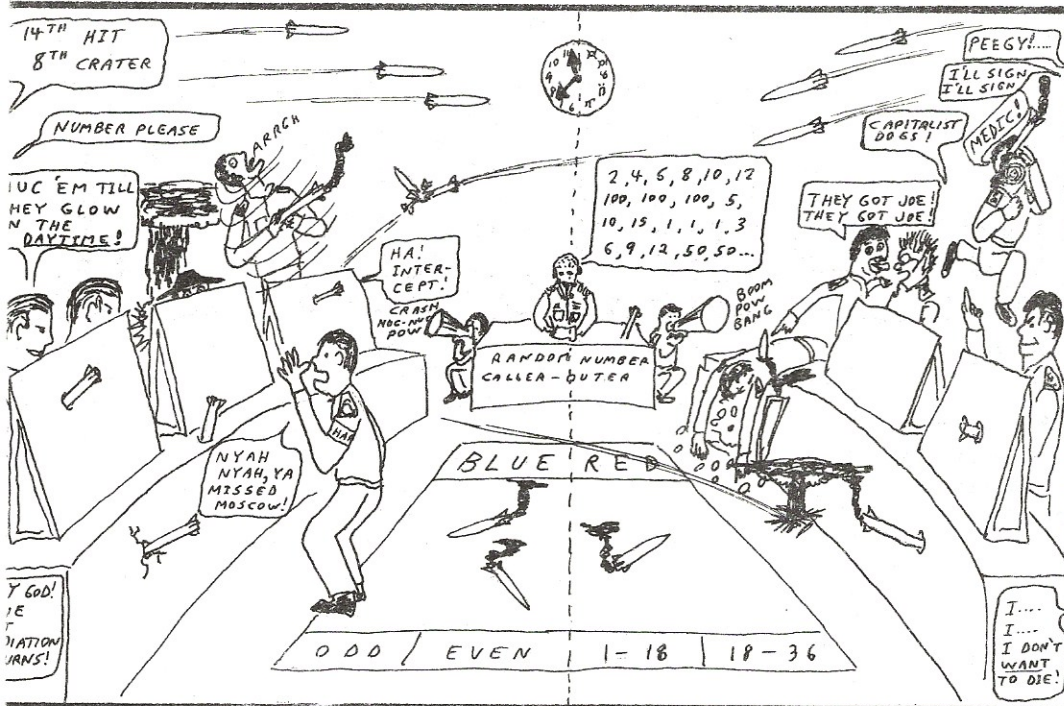

FOR MORE DETAILED RULES REFER TO YOUR BATTLE MANUAL WHATS THAT? YOU SAY YOU HAVEN'T GOT ONE. YOU WERE SUPPOSED TO PICK IT UP IN 1C1 LAST WEEK. LAST 4 PLEAS AS I WAS SAYING. THE SIMPLE RULES CITED ABOVE WILL SUFFICE FOR NOW. THE BEST WAY TO LEARN IS TO LOOK IN ON AN ACTUAL GAME. YOU WILL PICK UP THE RULES AS YOU GO ALONG.

## — PLANNING —

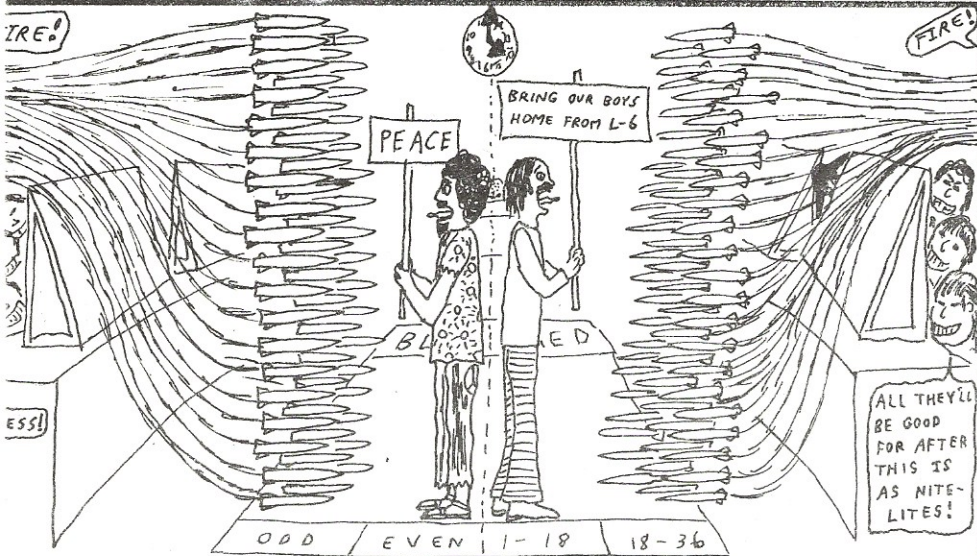

HERE WE SEE THE GAME IN ITS INITIAL PLANNING STAGE. THE THREE FORCES; SAC, TAC, AND ADC, PLAN THEIR OPERATIONS — KEEPING IN MIND THE BUDGET LIMITATIONS: (EACH TEAM IS AWARDED \$2 BILLION + A MASTER CHARGE CARD WHICH EXPIRES ON THE 3<sup>RD</sup> LESSON. THE OFFICER IN CHARGE SITS READY TO OFFER HELPFUL SUGGESTIONS AND ANSWER QUESTIONS. THE FREAK AND THE HARASSERS TRAIN IN SEPARATE ROOMS FOR REASONS OBVIOUS LATER. THE QUACKER BEGINS TO LEARN TO QUACK. TARGETS ARE TARGETED.

# THE NUCLEAR EXCHANGE

AFTER THE PLANNING, THE TEAMS ARE ABLE TO SEE JUST HOW GOOD THEIR STRATEGY WAS. THE INITIAL NUCLEAR EXCHANGE ALLOWS BOTH SIDES TO FIRE OFF THEIR ICBM'S SIMULTANEOUSLY, WHILE THE RANDOM NUMBER CALLER-OUTER DETERMINES WHETHER OR NOT ITS A HIT! ALL EFFORTS ARE MADE TO EFFECT AN AIR OF REALISM. HERE WE CAN SEE ONE OF THE HARASSERS AT WORK - TRYING TO UNNERVE THE OPPOSING TEAM. THE OTHER HARASSER HAS ALREADY BEEN CAUGHT AND TORTURED. SMALL SAMPLES OF  $C_{60}$  (COBALT 60) ARE HIDDEN AROUND THE ROOM TO PROVIDE REALISTIC RADIATION BURNS. IN THE BACK GROUND WE SEE TWO MEMBERS OF THE OPTIONAL GREEN TEAM HARD AT WORK!

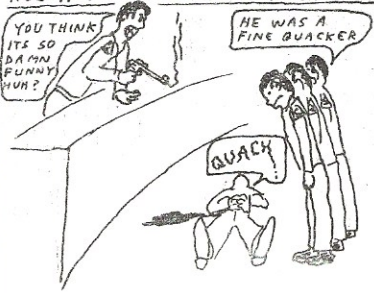

HERE WE SEE ONE OF THE INTERIM PHASES. AS STATED BEFORE, EACH SIDE HAS A MANDATORY FREAK, WHO PERFORMS SUCH FUNCTIONS AS: DEMONSTRATING - NAME-CALLING - BOMBING, AND GAGGING THE QUACKER. THESE PLAYERS ARE USUALLY QUICKLY DISPENSED WITH BY THE RELEASE OF A FEW MISSLES FROM EACH SIDE'S HOLDBACK FORCE. IN THE EVENT OF A "MISS" HERE, RED AND BLUE ACCOMPLISH WHAT IS KNOWN AS A "SIMULTANEOUS COUNTER-VALUE COUNTER-FORCE NUC-NUC" AND THE GAME IS AWARDED TO THE FREAKS. SORT OF A VARIATION ON... "NUC-NUC" "WHOSE THERE?" "NOBODY!"

## THE ACTUAL BATTLE!

WE HAVE A BGDIE POSTED FOR AREA C-10, WASHINGTON	FIRE 1
NUMBER PLEASE .....	14 QUACK
WE HAVE ANOTHER BGDIE FOR AREA C-10, WASHINGTON	FIRE 2
NUMBER PLEASE .....	13 QUACK
WE HAVE ANOTHER BGDIE FOR AREA C-10, WASHINGTON	NO DEFENSE
NUMBER PLEASE ...	HIT AND CRATERED SHIT
WE HAVE ANOTHER BGDIE FOR AREA D-3, FT. WORTH	FIRE 1
NUMBER PLEASE 12	QUACK QUACK QUACK QUACK
- BANG -	HA HA HO HO

THE ACTUAL BATTLE CONSISTS OF PENETRATION, FIRING, AND HITTING... IF THE NUMBERS ARE WITH YOU. DURING AN EXCEPTIONAL RUN OF BAD LUCK FOR THE DEFENSE - TARGETED BGDIES MAY TURN OUT TO BE ONLY QUAIL, GIVING THE QUACKER A CHANCE TO "RUB IT IN" OVER WASTED INTERCEPTS!

## SCORING

THIS, THEN, EFFECTIVELY ENDS THE GAME. POINTS ARE AWARDED ACCORDING TO THE FOLLOWING TABLE:

CAPITALS	30	NOW: 7 TOTAL YOUR POINTS, SUBTRACT THE TIME, AND MULTIPLY BY AVAGADRO'S ZIP-CODE... AND SUBTRACT THE AMOUNT OF TIME YOU WASTED...
CITIES	20	
BASES	15	
ORPHANAGES	50	
QUACKERS	100

FREAKS	10

GREAT GDB'S WE HAVE KNOWN

# ANNNNNNN<sup>B</sup> HERE THEY ARE...

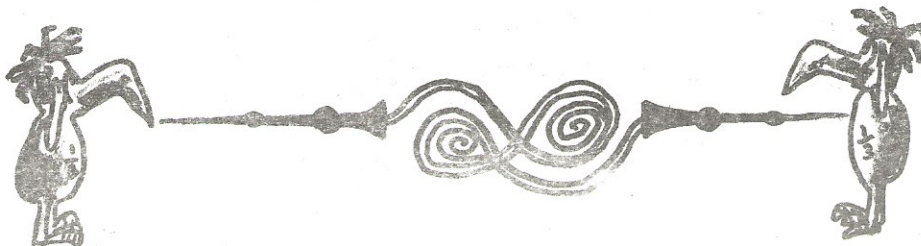

Well, here we are again for the introduction of this year's annual ALL-STAR TEAM. To be a member of this elite group, you must be a graduating First Classman with conduct that would be exemplified by any third grader. This brings us to our lead off hitters who have earned their positions by going beyond the call of duty and spending that

little extra effort to extend their school days to five and six years respectively. The All-Star on the left is Cadet Keith Andrews of CWDS-07 who entered with the class of 71, but decided to take a vacation-courtesy of the Dean. After a nine month rest (I wonder why nine months) Keith came roaring back to become a full-fledged lackey on the Supt's lists. The wedge on the right is Cadet J.C. Weydert who earns his position of longevity by entering with the class of 70. His formative years were started at Santa Barbara J.C. and followed by a brief respite at Millard's Prep School. With this impressive background, J.C.'s wonder years at USAFA came to an end at Christmas 1968 when after being on Ac Pro through ten progress reports, he was given the royal flush and sent back for more prep. His never say die attitude became evident when on August 1969 his retention span ran out and he was allowed to come back. The Staff wishes these men Good Luck on getting that first promotion.

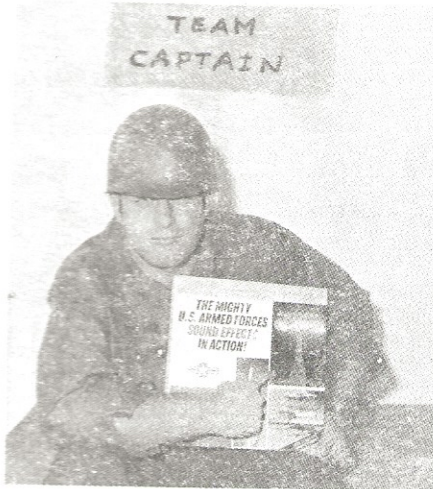

Our second All-Star has had his share of new squadrons through the past four years. Getting off to a good start, Cadet Dave Bull impressed those above him by leaving a dog ~~was~~ on his window during a SAMI. Picking up his campaign ribbons up early at the "Old Manor Parties" Bull S--- could be seen blowing down I-25 in his '62 Rambler with many a mother's son hanging on for life. With a rise through the ranks that will only be matched by General Lenz's war stories, Dave became a proud but short term owner of a 'vette. His ability to attract the Castle Rock

Cowboys has earned him more speeding tickets and other traffic violations on record. And it was this experience which left his 'vette in a state of no repair. Keeping all regs in their proper places, Dave fulfilled his life's ambition of drinking a minimum of a six pack a day for 100 consecutive days. We hope dave can keep up the bull.

The next bird to grace our pages is the original ancestor of Whistler's mother who has entertained countless thousands with such tunes which range from William Tell's 1812 Overture to The Flight of the Bumble Bee. Getting a late start in his bid for All-Star, Pete Deflippa became one of the first to be thrown out of an Allied Arts performance for "conduct unbecoming" and it was his show of gratitude to the Arnold Hall patrons of Art which led to his contribution of his famous sculpture "broken marble bench" which cost a mere \$450.00. His most famous caper earned him the title of the "Last of the Big Time Losers" when after countless successful missions through the dorm w/girl he was caught by "Green Jeans" and given the last of the 6+120s. Making the fatal mistake of being caught during BCT, Pete became permanent SOD which afforded him the chance to live with his work. To end a happy story, Pete was caught kissing his girl good-bye after being caught and again written up for PDA. His good luck doesn't end here, however, for three later his 'vette was hit by a tourist in front of the Field House. It is Pete's Luck of the Irish that will serve as an example of those to follow.

The DCDO finally introduces the man who helped make USAFA just a little more fun and exciting: none other than Martin S. Shearer "The GROG" the 1972 All-Star Captain. Marty or King Tunnel Rat as he is known by the security guards, was the first 72'er to reach triple figures in GPLD when he proved beyond a shadow of doubt that a valet unit can be blown off the wall using the correct combination of M-80's and a motherly touch. Marty also accumulated 50 years bad luck by breaking on of the hall mirrors. Marty is perhaps most famous in his help to the Air Force. His new methods of swimming at Edwards proved that U-trou definitely does not slow down one's speed in the water. He also received a commendation from the maintenance people at Edwards for his great help in the relocation of all the on-base road signs.

Co-Captain of our team is John G. Humphries (Hump). Not Shown. John is well known at G's for helping them get rid of all those ugly mirrors. John also found that fire doors are much more functional when kicked into the horizontal position.

Together, our boys are known as the "Jewish Usher Flight" which for them met Sunday morning during the Protestant Service. However the OIC would not believe that they were only resting on the pews (horizontally) from their hard practice for next Sunday's services.

Our Reconco<sup>3</sup>-Airborne-2<sup>nd</sup> BCT Boys want to be remembered for their new game. To play you need one fairly large mud-puddle, mess-dress and two willing players. The Staff wishes to congratulate this year's All-Stars and hope that they become as much as an asset in the Air Force as they have been to the Academy.
