Letter from the Editor

Welcome to the 5th and final edition of this year's DODO. We've got a fantastic issue here, including more adventures of Biff & Lumpoe* and a lot of other great stuff. We're going out with a bang, man. But we'll be back in September. And so will Johnny Parka, Joe Strack, Mel Lowe, Biff Booter, Ed Lumpoeski, Burlap-Head, and all of your other favorite characters.

See you then!

Stu

*Biff & Lumpoe didn't make it this time, but they'll try again. *x*

USAFIA'S Believe it... or Rot!

AOCs ARE ACTUALLY CLONED BY THE COMM SHOP! HENCE, AN AOC MAY "SEEM" TO BE IN MANY PLACES AT ONCE! BELIEVE IT OR ROT!

GENERAL ORTH, DEAN WITH THE BEAN, WAS ONCE A FAMOUS MOVIE ACTOR! IN FACT, HE STARRED IN SUCH FILMS AS ALFRED HITCHCOCK'S THRILLER "ORTH BY ORTH-WEST"! BELIEVE IT OR ROT!

SPIRIT HILL IS SO NAMED DUE TO THE FACT THAT LIQUOR WAS ONCE SERVED THERE ON WEDNESDAY NIGHTS BEFORE THE ADVENT OF THE A-HALL WEDNESDAY NIGHT MOVIE. BELIEVE IT OR ROT!

ROBOBOBOBOBO

"Isn't their hair just a little long, Bob?" asks General Kelley, still somewhat unaccustomed to Academy procedures.

"They haven't been in-processed yet, Rob," giggles an obviously amused General Beckel.

"Oh," replies General Kelley, "Well, what about those uniforms they have on? Are those new or something?"

Gen. Beckel (1981)

Unidentified vampire (1981)

IS GENERAL BECKEL A VAMPIRE ???!

Based on the photographs above, there seems to be some pretty good evidence that our Commandant, Brig. Gen. Beckel, may actually be Count Vladimir Von Bekkl, legendary vampire. Note the similarities in the photos - the identical facial structure, the positioning of the hands. I'm scared, people. What do YOU think?

- I'm scared too, man! I think you're right!
- I don't know, and, furthermore, I don't care.
- I think you made this whole thing up and used doctored photos.

Check the appropriate box. Then wad this up and throw it at your roommate.

"Ask The Radical"

Dear Radical,

My Squadron Commander keeps threatening to write me up for bad hairs. I'm sick of it, man. What should I do? Break down and get a haircut?

Doug

Dear Doug,

No Way! Get a bushy wig and wear it into his room and say, "You think my hairs are bad? Check this out, you lackey!" If he doesn't wise up and leave you alone, tattoo a mustache on him while he's asleep, then threaten to write him up for having it. That should do the trick.

The Radical

Dear Radical,

I want to burn my reg book, like in protest of this Form 10 I got for drinking in the dorms. What do you think about this?

Larry

Dear Larry,

Sounds like a great idea, man - go for it! I'd suggest you even have a 'reg book burning party' in your room and serve all kinds of liquor at it - you know, sort of like a nice touch. Good luck, man.

The Radical

Dear Radical,

I'd like to do something really wild that will freak out my AOC and any other "inspecting officials" during the next SAMI. Got any ideas?

Herbie

Dear Herbie,

Yeah, man - try putting a live carp in your bed, sort of tucked in with its head on your pillow. That really gets 'em. And paint all kinds of hex symbols on your walls and ceiling in blood. That works pretty good, too.

The Radical

Dear Radical,

I'm a 4⁰ and my Flight Commander is always telling me that my shoes are bad. How do I get this loser off my back?

Lance

Dear Lance,

Just tell him, "Hey, if I want your opinion, I'll ask for it, O.K.?" That should shock him back into reality.

The Radical

Dear Radical,

What do you do with your Form 10s? Sign 'em and turn 'em in, or what?

Bill

Dear Bill,

Are you crazy, man? I usually put 'em in the toilet and watch the ink blur. Then I flush 'em. Sometimes I cram 'em down the throat of whoever wrote me up.
