DILLUSIONS OF THE DEAN , PART 1

The Dean is concerned about the large number of cadets that are sleeping in class. We here at The Dodo would like to help out and provide some of that good ol' Air Force feedback to the 'higher-ups.' Check the box that best applies to you and tape it to your forehead for the next few days as you wander around Fairchild Hall.

I SLEEP IN CLASS BECAUSE

IT COULDN'T

ONE. WE GET

C3C LATE-LIGHTS FINDS A REASON FOR ALL THOSE MATH COURSES

NOW, LET'S SEE, I HAVE TWO FREE PERIODS ON M-DAYS AND TWO FREE PERIODS ON T-DAYS SO I'M IN CLASS (Uhh... 5 days per week \times 5 classes a day \times 50 minutes/class) 1,250 MINUTES A WEEK, SO I NEED TO STUDY (Uhh... 110 minutes outside of class/ 50 minutes of class \times 1,250 minutes) 2,500 MINUTES PER WEEK, WHICH WORKS OUT TO BE 41.66 HOURS A WEEK OR 8.3 HOURS A DAY. IF I STUDY DURING MY TWO FREE PERIODS AND START STUDYING RIGHT AT 1600 hrs AND HAVE MY LIGHTS OUT BY 2400hrs, SO, GOD FORBID, I DON'T BREAK THE LATE-LIGHT REGULATION I CAN GET ALL OF MY STUDYING IN WITH 81 MINUTES TO SPARE TO BRUSH MY TEETH, ETC... HEY!!! THE DEAN IS RIGHT!! THERE IS ENOUGH TIME TO GET IT ALL DONE. CADETS ARE JUST LAZY AND DON'T APPLY THEMSELVES. THAT 81 MINUTES/DAY IS PLENTY OF TIME TO DO INTRAMURALS, CQ SHIFT, UNIFORM GRADES, EI, WORK OUT, RUN ERRANDS, AND I COULD EVEN SPARE A FEW MINUTES TO TALK TO MY GIRLFRIEND!!! GOSH, I'VE BEEN SO HARSH ON THE ACADEMIC WING, THEY REALLY ARE VERY UNDERSTANDING!!!

FIRST, THERE WAS **ROBOCADET**.

BUT HE WASN'T ENOUGH. WITH AN EVER-INCREASING POPULATION OF REG VIOLATORS ROAMING THE WING, OCP WAS CONTRACTED AS USAFA'S PRIMARY DISCIPLINARY AGENCY. THE YEAR IS 1998 AND THE VERY LATEST IN DISCIPLINE TECHNOLOGY HAS BEEN INTRODUCED INTO THE WING. THE COMMANDANT CALLS IT "AWESOME". THE CADETS JUST CALL "HELP!" IT IS :

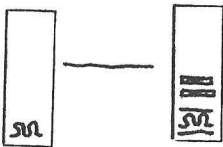

THE **ED-209/AFCWR** !

THE MINDLESSNESS OF AIR PROPAGANDA 220
(or why it's important to have an open mind)

SIR, CHARLES DAGUERRE'S QUOTE IS AS FOLLOWS: "WELL, MY SON, IT MAY NOT BE A WORK OF ART, BUT THERE IS SOMETHING TO BE SAID FOR THE WORD 'DONE'."

ONE CADET'S DREAM: TO COMPLETELY CIRCUMNAVIGATE THE SECOND FLOOR OF FAIRCHILD WHILE ON ROLLER SKATES..

What the upperclassmen say

1. Show some discipline, mister.
2. I've earned the right to train you, mister.
3. Do I look like a Ma'am?
4. Would I have asked, if it had been seven chews?
5. What's my name, mister?
6. Mister, are you [redacted] me off?
7. When I was a 4^o, I was scared to ask for the cereal
8. You know, we don't have to recognize you.
9. Is this half an inch?
10. Back when I was a four degree... blah, blah, blah, blah, blah, and, blah, blah-blah, blah, blah, blah, blah. You've got it easy and you're weak.

What the 4^os think

1. Get a tuck and shine your shoes, sir.
2. Sir, statistics show that abused children abuse their children.
3. Yes
4. Would I have said "Sir, it was seven chews if it wasn't?"
5. I don't know, sir, but mine isn't "Mister."
6. Am I on my knees?
7. And now you're an upperclassman and you still don't have a backbone.
8. You know, we don't have to pretend we know you next year.
9. No Sir, but I can tell you about something that is.
10. Yeah, yeah, yeah, you knew how many holes there were in Mitch's ceiling tiles, you could never have your Contrails on your person because they weighed more than you did, you had Air Force seconds, we've already heard this story?! - Hey, I thought there was an Honor code!

SIR,

HERE ARE THE TOP TEN REASONS WHY
PEOPLE ENTER THE MARINE CORPS
WHICH YOU REQUESTED:

#10: THEY ROBBED A LIQUOR STORE AND THE JUDGE GAVE
THEM ONE OPTION.

#9: THEY GOT DRUNK AND THEN WENT TO
THE RECRUITING OFFICE.

#8: THEIR ASVAB SCORE WAS TOO LOW FOR ARMY

#7: THEY HAVE NO SKILLS AND WANT TO BE
WITH SIMILAR PEOPLE.

#6: THEY ENJOY STANDING IN FRONT OF EMBASSIES.

#5: THEY CAN'T PART THEIR HAIR.

#4: THEIR VOCABULARY CONSISTS OF ONLY
GRUNTS AND MOANS

#3: THEY WANT TO BE THE FIRST ONES
GOING INTO NICARAGUA.

#2: THEY WANT TO CALL CADENCE
WITHOUT WORDS.

#1: THEY WANT TO BE LIKE
THE LINEN GUY.
