The NORTH AMERICAN TOUR

# EDITOR'S

PAGE

Well well well, I can't say for sure what happened to Saint Toke or Slow before him, but I can say that at least the last two Dodo editors have beat the system and made it outta here with a UPT slot. (If you don't know who Toke or Slow were, look them up in old Dodos, they were previous editors) It's good to finally see some justice, but I'm sure someone in CW is kicking someone else right about now. "DAMNIT, NOT ANOTHER ONE!!! Yep, it's time to really put the fear of God into someone..."

Once again, I just can't help it, but I have to rip on the idea of morning marching practice. Yes, I know I've done this once before, but it just keeps coming up. Last time, I got a wonderful letter from a group commander who took time out of his very busy schedule to inform me of exactly how good we had it by only marching on Monday's and our one day a week. Wait, it's coming to me, here it is- GENIUS! I'M A FIRSTIE- REMEMBER THAT THING, FIRSTIES AND TWO DEGREES, DISMISSED? I WOULD NEVER MARCH IN THE MORNING!!!! But, as I was so politely informed of the error of my ways, this is better than marching on Saturdays. Okay, yet another BAD idea. A better but still BAD idea is still worse than a GOOD idea, which we seem to be short on lately. Come by and remind me of how much better this is, doing REMEDIAL drill when I'm out there doing it. I'm pretty sure I'll be listening.

How about some CENSORSHIP??? I really don't think I have enough in my life, especially with the Dodo. Three degrees, there was a censored comic in the last Dodo that dealt with your PDP manual and it's instructions on how to approach a member of the opposite sex in order to introduce yourself. If you don't know this by now, come by my room and I will personally put a bullet in your head. No textbook is going to help you anyway! "Hmm, the book said to do it this way, I wonder why she wouldn't talk to me..." Hey, your guess is as good as mine, pal. I know this place breeds social rejects, but I really don't think that the PDP manual is the way to teach us.

Speaking of social faux pas, let's discuss AOCs. Now, somewhere in the wing, there's an AOC with his head on straight. He sees through the BS that comes down and tries to develop his cadets right, giving them responsibility, teaching them how it really is out there and so on. We'll call him Major Rose, because every rose has it's thorn. Then there are other AOCs, who really have no clue whatsoever-- "Well, if the regs don't say it, I guess you can't do it."

"But sir, can't you do something about it- after all, you are my commander."

"Well, no, the regs don't say anything about that either. Sorry."

"So, I can't go out this weekend- not even for half a day?"

"I'm sorry, Tammy, you're on Academic Probation. I don't think it's a good use of your time. Now, I know you're twenty two years old, but I think you should stay here this weekend."

"And the next, and the next, am I right sir?"

"You act like it's a prison sentence. (Hmm, shows how much he knows....) After all, you've got a huge gymnasium here, a field house, gee, my college never had an ice rink... You have Arnold Hall- I hear you can get pizza and a soda pop and watch movies there, that is, if you have your studying done, and a Sport's Bar for the evening. You know, I just might bring the wife up there this weekend- I think it'll be a hoot!"

"Sir, if you don't approve this pass, I'm jumping out this window!"

"Well, I just don't think that's such a good use of your time... And besides, this isn't in the regs either..."

See what I mean? Hey, drinks are on the house...

JM 11 1996

... "BROKEN DODO"... IT'S A TERM WE HAVE AROUND HERE FOR... NO, THAT'S A "BROKEN ARROW" ... YES, THERE IS A DIFFERENCE...

WELCOME TO OUR UNITED STATES AIR FORCE ACADEMY

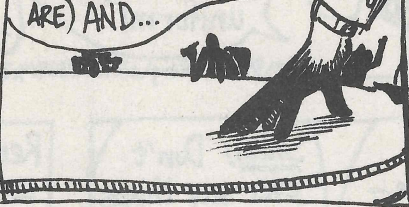

Now THAT THE CREATIVE STAFF OF THE DODO HAS BEEN "...SILENCED," THE ENIGMATIC HARMON CONSPIRACY HAS SET ABOUT TO PUBLISH IT'S OWN "KINDER, GENTLER" DODO ... BUT IS IT AS HARMLESS AS IT MIGHT SEEM... ?

THIS NEW DODO IS A MENACE, LADIES AND GENTLEMEN!! MAYBE IT'S THE FACT THAT OVER SEVEN DODO ARTISTS HAVE DISAPPEARED, BUT SOMETHING ABOUT THIS ISSUE IS JUST PLAIN "FISHY..."

YEAH... LIKE, SINCE WHEN DID DODO ARTISTS LIKE TO ENDORSE THE REGS? EXACTLY.

NOW AS WING STAFF, WE'VE ALL BEEN MADE FUN OF BY THE DODO BEFORE, BUT I'LL BE THE FIRST TO ADMIT THAT IT IS A... "NECESSARY EVIL." LET'S BE PROACTIVE (LIKE WE USUALLY ARE) AND...

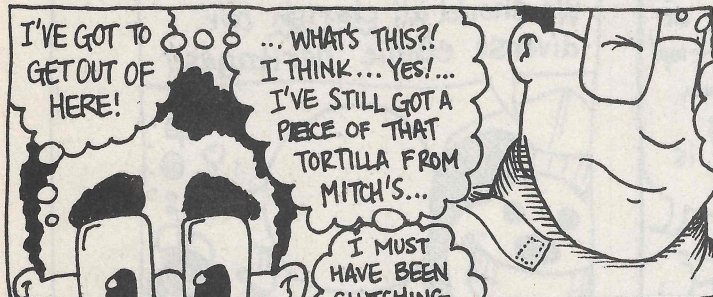

"... FIGURE THIS OUT!" AM I THE ONLY ONE HERE WHO REALIZES THE ROOM IS... VIBRATING?

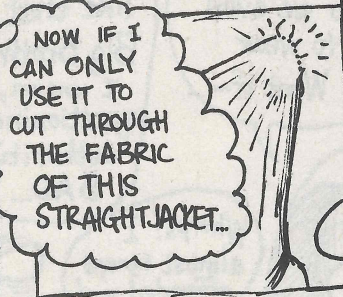

YAWN NARF

I'VE GOT TO GET OUT OF HERE! ... WHAT'S THIS?! I THINK... YES!... I'VE STILL GOT A PIECE OF THAT TORTILLA FROM MITCH'S... I MUST HAVE BEEN CLUTCHING IT WHEN I CONKED OUT...

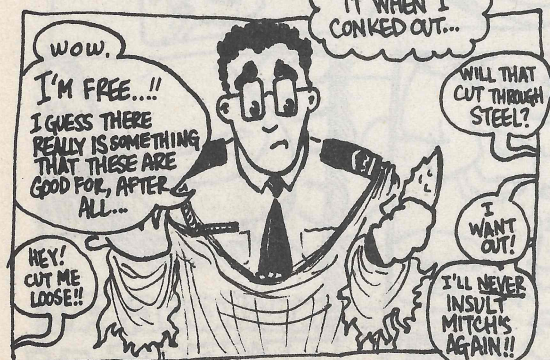

NOW IF I CAN ONLY USE IT TO CUT THROUGH THE FABRIC OF THIS STRAIGHTJACKET...

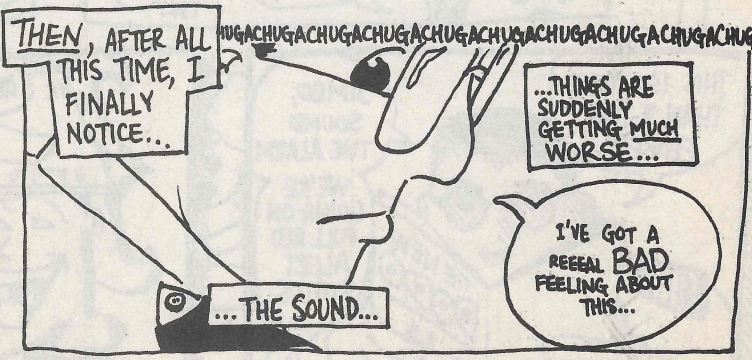

RIP! YES!

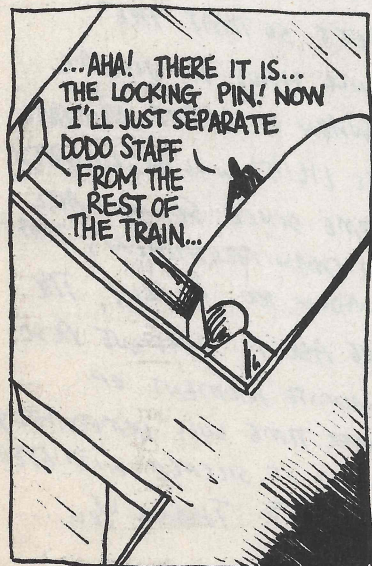

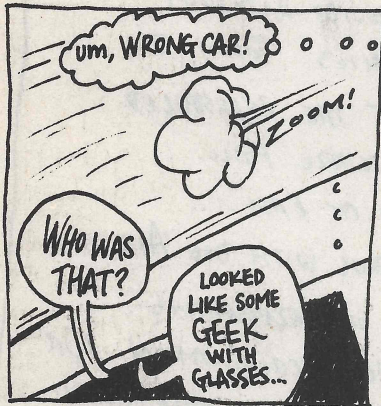

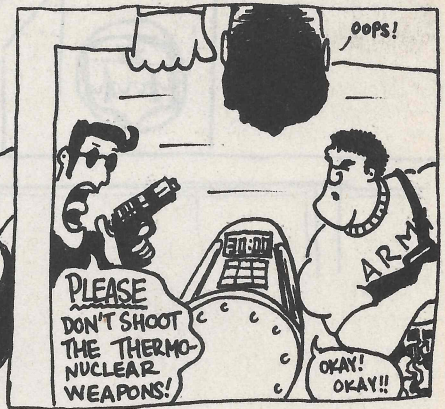

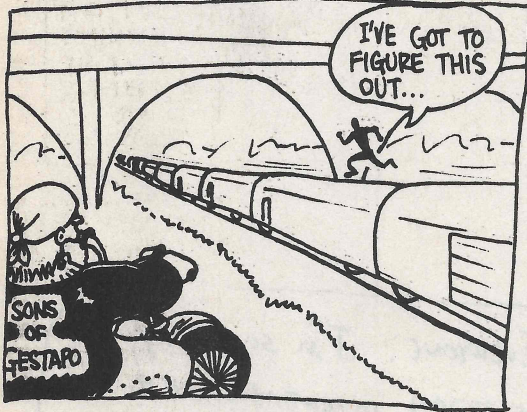

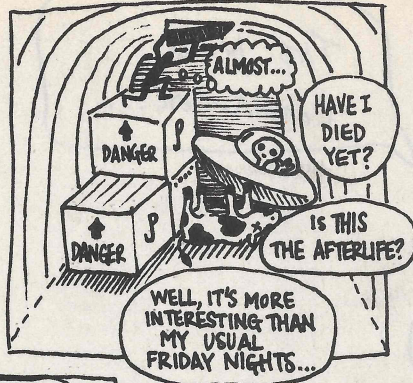

wow. I'M FREE...!! I GUESS THERE REALLY IS SOMETHING THAT THESE ARE GOOD FOR, AFTER ALL... HEY! CUT ME LOOSE!! WILL THAT CUT THROUGH STEEL? I WANT OUT! I'LL NEVER INSULT MITCH'S AGAIN!!

THEN, AFTER ALL THIS TIME, I FINALLY NOTICE... ... THE SOUND... ... THINGS ARE SUDDENLY GETTING MUCH WORSE... I'VE GOT A REEEL BAD FEELING ABOUT THIS...

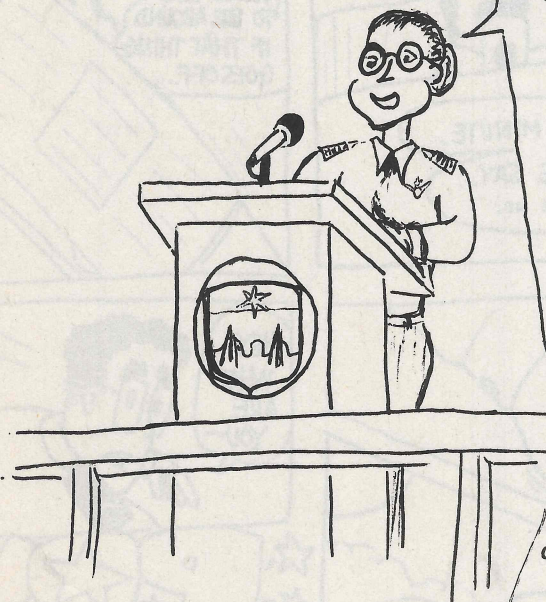

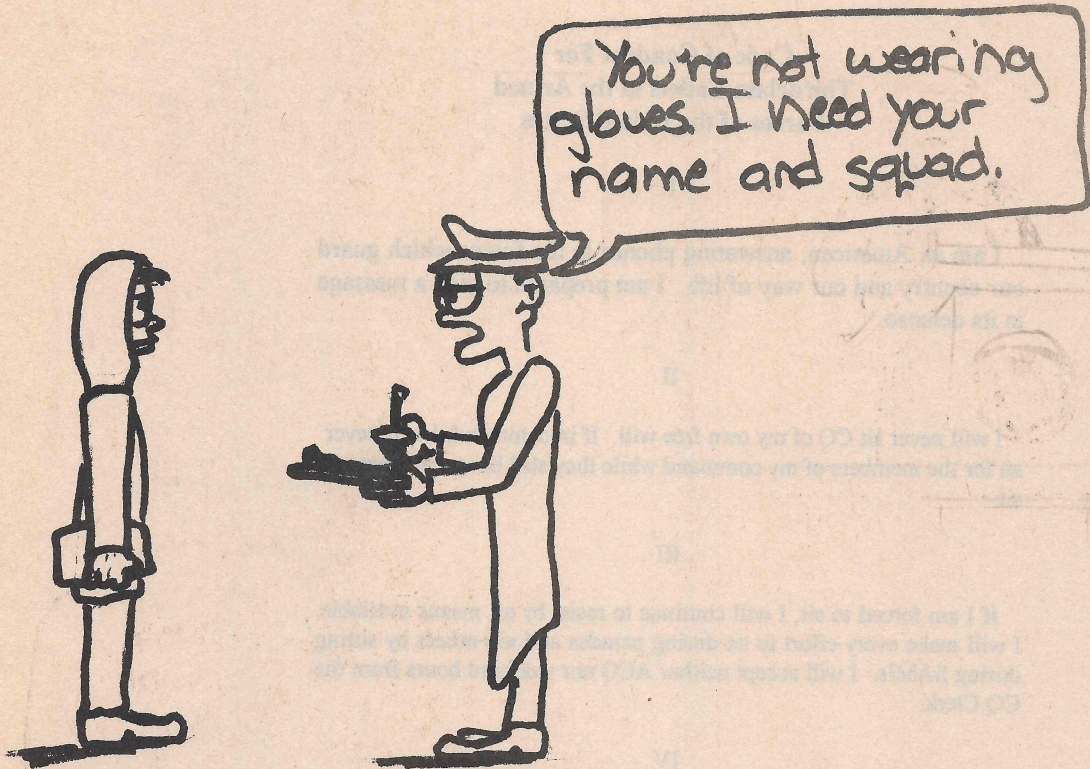

THE WING  
COMMANDER...

HELLO EVERYONE. I'M SO HAPPY TO BE HERE TODAY TO CONTINUE WITH MY PROMISE TO PROVIDE RATIONALE FOR ALL NEW POLICIES. TODAY, I'M GOING TO TALK ABOUT THE REINSTALLED LIGHTS HERE IN MITCHELL HALL... OH, PLEASE STAND AT EASE... ANYWAY, IN KEEPING WITH THE AIR FORCE'S POLICY OF CELEBRATING DIVERSITY & NO DISCRIMINATION FOR ANY REASON, THE LIGHTS HAVE BEEN PUT BACK IN EFFECT SO THAT THE DEAF CADETS WILL HAVE A VISUAL AID TO KNOW WHEN TO LEAVE MITCHELL HALL. ALSO, ALL LIGHTS WILL BE TURNED ON AT THE SAME TIME SINCE SENIORS ARE NO LONGER BETTER THAN FRESHMEN; THAT WOULD BE DISCRIMINATION, TOO. FINALLY, THE BLIND CADETS HAVE ASKED THAT WE ALSO OBSERVE A 15 MINUTE MOMENT OF DARKNESS. THIS ~~WILL~~ TIME WILL IMMEDIATELY FOLLOW THE 15 MINUTES OF SILENCE WITH EVERYONE CLOSING THEIR EYES. THANK YOU...

Hey, who turned out the lights?

**Code of Conduct For  
Thirdclass Cadets in the Armed  
Forces of the United States**

I

I am an American, answering phones in the forces which guard our country and our way of life. I am prepared to take a message in its defense.

II

I will never sit CQ of my own free will. If in command, I will never sit for the members of my command while they still have the means to sit.

III

If I am forced to sit, I will continue to resist by all means available. I will make every effort to sit during parades and aid others by sitting during SAMIs. I will accept neither ACQ nor weekend hours from the CQ Clerk.

IV

If I become a member of Group CQ, I will be tortured with my fellow ~~boy~~-boy. I will give no information nor take any messages which might be helpful to Group Staff. If I will paper, rocks, scissors, I will take command. If not I will run distro instead of the ~~clutz~~ that beat me.

V

When taking a message, should I be forced to sit CQ, I am required to take name, number, date, and time. I will evade to writing further information to the utmost of my ability. I will take no oral or written statements that require me to walk more than twenty feet to deliver.

VI

I am an American, answering phones or I'll be restricted, responsible for not taking messages, and dedicated to being as lazy as possible. I will trust in my luck and in the stupidity of CW.

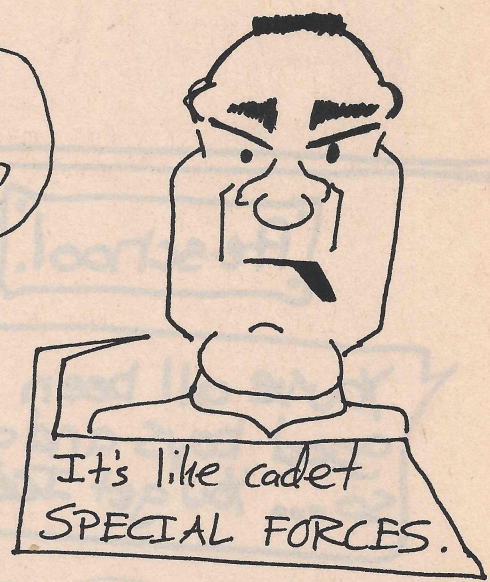

Hey CW, I've got something for you. It's sort of

Brett,

As the Dodo gets more and more censored, Janine John gets more and more and more print in it. I'm not trying to tell you your business, but the girl just isn't funny...At all. I have no personal problems with her, (at least, not any more than anyone else in 22 does), but I thought I should point it out. You guys aren't legally bound to print ~~crap~~ just because someone took the time to draw it are you?

Otherwise, thanks for continuing the struggle against the dark side...

Oh, I grew an extra 15 pounds so there would be more of my ~~\*\*\*~~ for him to kiss.

# REACTIONS

So how did YOU feel when Gen Happer said they changed the uniform policy because "frankly, you cadets - when allowed to choose your own uniform - make the wrong decisions."

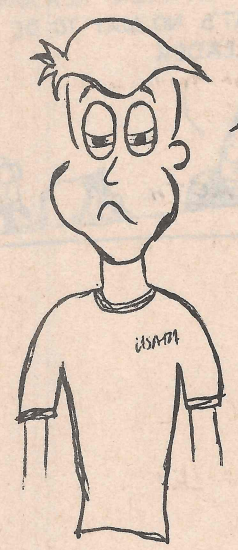

And they are making the right decision?

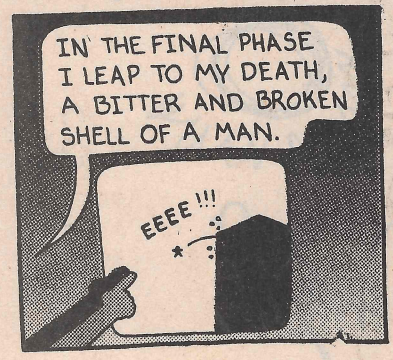

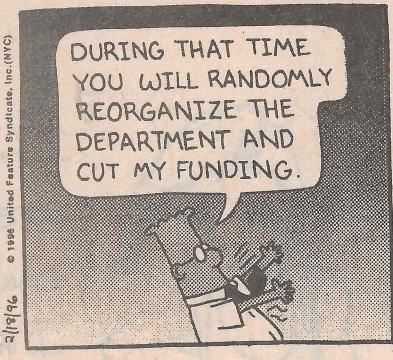

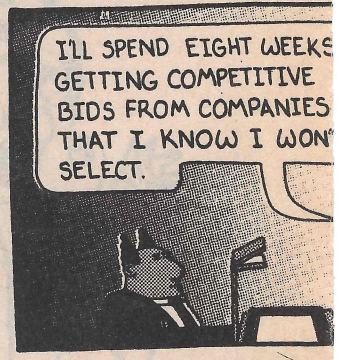

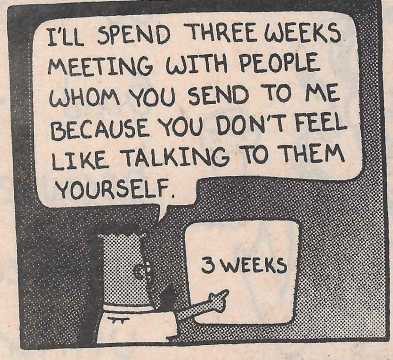

I'm glad my leaders are competent enough to know if I'm hot or cold!
