THE DODO LURKS!!! THE DODO LURKS!!!
THE DODO LURKS!!! THE DODO LURKS!!!
THE DODO LURKS!!! THE DODO LURKS!!!

Dear Hearts, Last week three checks totaling more than 200 post-B.C. Age clams were distributed to the winners of the DODO essay contest. Feeling much like Michael Anthony in a classic blue suit, I presented the following prizes: 1st) \$111.15 to Cadet Al Ragsdale, 23rd Squadron, for "A DAY IN MAY" 2nd) \$55.58 to Cadet J. Thomas Evans, 5th Squadron, for "ESSAY ON CADET LIFE" 3rd) \$37.50 to Cadet Warren E. Manchess, 24th Squadron, for "DOOLIE SUMMER." Well, now that the readers know which of their buddies are buying the next round (s), I might introduce an interesting sidelight of the contest. Only nine Cadets entered -- that gave each a glaring 3:1 chance at paying more taxes. So aren't you glad you didn't take that chance?

DODO bombardment by bombshell ANN-MARGRET is no off-target operation...and we think we'll accent past requests in maintaining the same bomb run for the next couple of weeks. (Note the prime military influence deep within those words -- the DODO has "fell in.")

Any Squadrons who have briefs that might be of interest to the Wing are invited to forward them to the DODO for publication (these briefs do not come in pairs !!). To inaugurate this idea, we note that Twentieth Squadron has adopted the Troll. His formal entrance into the Squadron, a gala ceremony in the Tradition of the Queen's Coronation, came the night before the TROLLS copped the Wing Water Polo Championship...which called for another gala ceremony, this more in the tradition of the ancient Huns.

We've received many compliments of Gerry Alfred's "Anka, Reeves, and Merman" (the Gladiator's answer to Peter, Paul, and Mary) editorial in the last issue. The responses are appreciated...Thank you.

"Go West, Young Man, Go West,"---but not if you want to meet this week's lovely Spacemate. Over a year ago the mysterious clime of the Mile High City lured pretty Margie Millhous from her home of San Diego and favorite haunts there, including the silvery beaches, and she has been attending Colorado Women's College ever since. Although the twenty year-old, 5'4" sophomore excels at all the frivolous aspects of college life (parties especially), she nonetheless has serious intentions of becoming a stewardess next year. What young businessman (or cadet) wouldn't be impressed by the image of this attractive brown-haired, sloe-eyed beauty serving him his champagne? Alright then---COFFEE!!

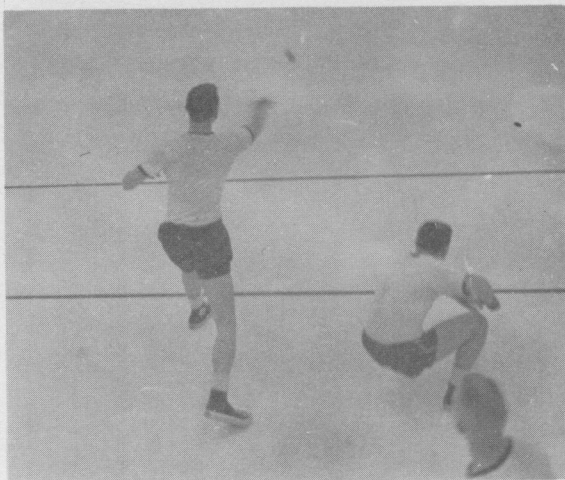

WING CHAMPS

WATER POLO After winning the League Two Championship with a perfect 6-0 record and establishing a Wing record of 35 goals in one game, the 20th Squadron water polo team coached by Twas Kline went on to take the Wing Championship by downing 9th Squadron 10-7. 9th, coached by J.D. Kennedy, tired from its regular season game Thursday and a playoff game with 10th Squadron on Friday, was simply outswum by 20th. Both teams were unaccustomed to the large pool, but the 20th Squadron "Scum" were able to take an early 10-3 lead with Mike Christy and Bob Levins each scoring 4 goals and Bill Ardern making most of the assists. 9th rallied to close the gap to 10-7 but further efforts were fruitless as 20th's All-Star goalie, Mitch Cobeaga, repeatedly blocked almost sure goals as he has done all season. J.J. Francis led

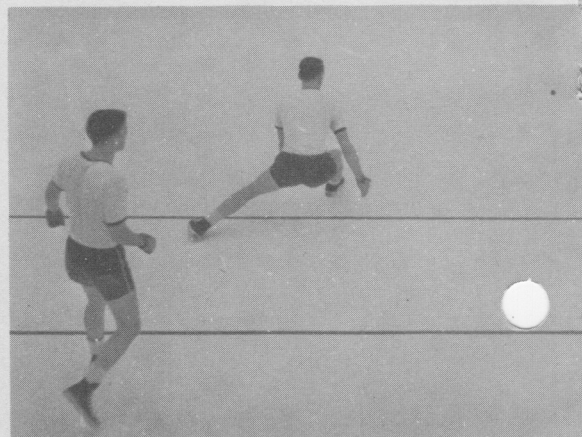

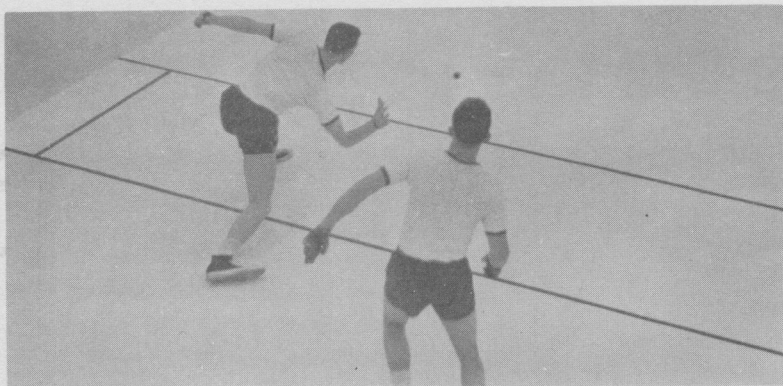

the 9th Squadron offense, slipping away from the 20th Squadron defenders led by Jim Piper often enough to score 4 goals. In the final analysis it was 20th's better conditioning and better teamwork that brought them the Championship over a fine 9th Squadron Team.

HANDBALL A powerful 6th Squadron handball team beat 18th Squadron 6-3 for the Championship. 6th had an undefeated record for the regular season under Coach Fausey. Bill Ahern was 6th's outstanding player going 12-1 for the season. 18th was coached by Jess Murray to an 11-1 regular season record with Wayne Brown contributing an undefeated season for the League Two Champions.

-- Gordon Boozier

BOXING 14th Squadron won the Wing Boxing Championship for the second year in a row by pounding out a 4 - 2 victory over 8th Squadron. For Coach Gary Ryser's victorious 14th Squadron team Iudicello won over Cross at 137 pounds; Bredock decisioned Lupini at 147; Didley decisioned Moreland at 157, and Kelly decisioned Hill in the 177 weight class. Victories for 8th Squadron came in the 167 division where coach Fred Metcalf decisioned Derieg and the heavyweight division where Gorges decisioned Brown.

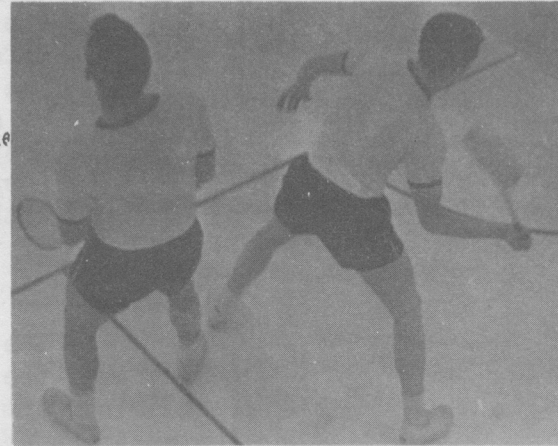

-- Carl Johnson

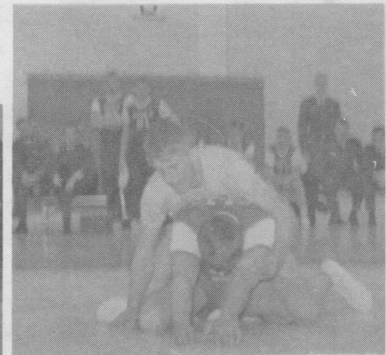

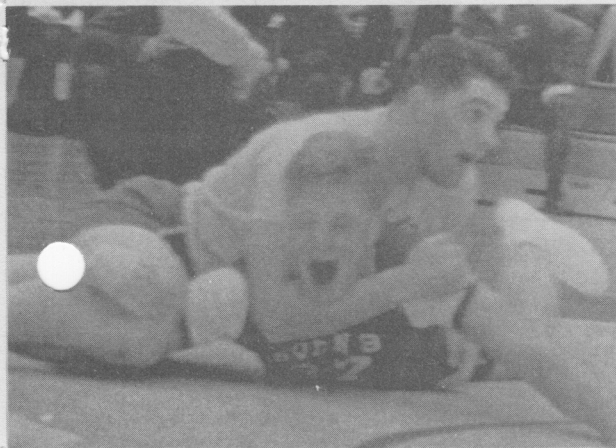

SQUASH 14th Squadron beat 9th Squadron by a 5 - 2 score for the Squash Championship. Coached by C/IC Maher, 14th had a 12-0 regular season record with two undefeated players, Coach Maher, and Robin Tornow, the second man on the team. 9th Squadron was coached by Roger Roy.

-- Gordon Boozer

WRESTLING The matmen of 17th Squadron were upset by a tough 9th Squadron team in the Wing Championship contest, 13-7. Ending the season with a 6-0-0 record, 17th entered the match as favorites but could not match the League One representative which had established a 5-0-1 record for the season. Cadet John Bush decisioned Gary Ellis in an overtime period to gain 3 match points for 9th Squadron. John won the 140 lb match on a standup escape. At 150 lbs, Joe Jarvis got a quick takedown on Bill Snead from 9th. Joe, an experienced wrestler from Oklahoma, went on to gain a pin and 5 points for 17th. Ted Sahd met tough competition in Don Washburn, the coach and 160 pounder from 9th. Don kept a good ride on Ted for most of the match and gained 3 more points for 9th by his win. Frank Ralston, a 175-pound Firsty, clinched the match for 9th Squadron. Failing to get a takedown in the first period, Frank executed a reversal from the down position and went on to pin Paul Wilke from 17th. In the heavyweight division, Nick Arshinkoff from 17th and Paul Thomas battled to a draw. After an overtime period, the score was still tied, so 2 points were awarded to each team.

THE DODO SPORTS SCOPE

The Dodo salutes the Basketball Team for their excellent performance last week in bringing down mighty Utah State, then the eleventh ranked team in the nation. Off to a good start, the Falcons led by as much as 7 in the first half. The tough Utags, however, managed to bring the score to 31-31 by the end of the half. AFA started well

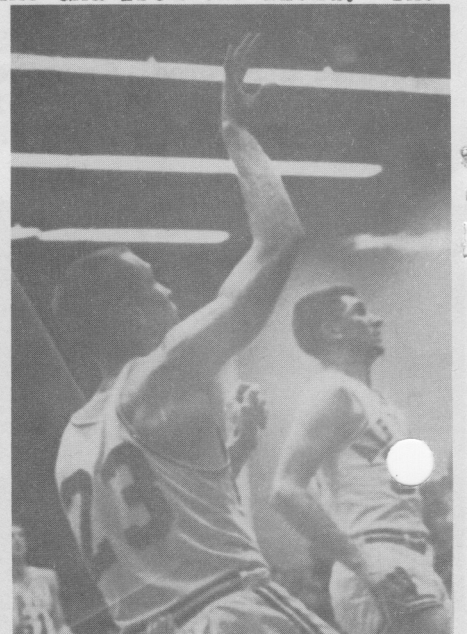

in the second half, gaining a quick seven point lead which Utah State chopped away at until they had gained a 60-57 lead with only 3:32 left in the game. Judd and Hinman then combined for a quick five points which gave the Falcons a 62-61 lead with 2:27 to go. Troy Collier hit two free throws to shift the one point advantage back to the Utags. Johnny Judd and Wayne Estes, 6-6, 245 pound sophomore standout who scored 26 points for the opposition, traded layups to bring the score to 65-64 with 1:19 left. When Gary Watts stole the Falcon pass in after Estes' basket, the Utags had just about won their 19th victory of the season. However, Reid Goldsberry was called for an offensive foul with 53 seconds left giving the Falcons the ball. Parke Hinman sunk his 14th point of the night with 27 seconds left, then captured the rebound from the last desperate shot by Phil Johnson to give us a 66-65 victory. A special salute to Johnny Judd with 22 points, Rich Porter with 16 and Parke Hinman with 14 as they led the team to one of the finest upset victories in the Academy history.

--Jim Lemon

The Academy Freshman basketball team completed a season sweep over the Junior Varsity with a 73-53 victory Friday night in a preliminary to the Varsity contest with Utah State. The Frosh simply outshot the JVs, both at the free-throw line and from the field. The Freshman hit 80% of their charity tosses and connected on 47% of their field goal attempts, while the Junior Varsity could manage only 52% and 35% respectively. Center Sam Peshut again led the freshman scoring with 18 points. He received good support from Ed Sullivan and Pete Hugdahl with 10 points each. Howard Estes with 16 and Bruce Wood with 14 were the leading point producers for the JV's. The Freshman record now stands at 9-3 for the season, including a 72-57 win over the JV's in their first meeting. This week's schedule for the Frosh is a busy one. On Friday night they will play the DU Freshman at the Academy gym and Saturday they will travel to Fort Collins to meet the CSU Freshmen.

Doob Dots & Doodles

One day during a war, a tall, strong and handsome Roman soldier broke into a house where he found two luscious maidens and their matronly nurse.

Chuckling with glee, he roared, "Prepare thyselfes for conquest, my pretties."

The lovely girls fell to their knees and pleaded with him. "Do with us as thou wilt, O Roman, but spare our faithful old nurse."

"Shut thy mouth," snapped the nurse. "War is war."

A car pulled up alongside a stranded couple seated in a car.

"What's the matter," asked the intended helper, "out of gas?"

"Nope," came the answer from inside.

"Engine trouble?"

"Nope."

"Tire down?"

"Didn't have to."
