THE DODO Sweetheart

To brighten our third edition of the DODO, we introduce the very lovely Miss Patty Ellen Gallagher. A former Bengal Tiger at LSU, the charming 20 year old beauty lists Plattsburg AFB as her present home. They say that North Wind blows cold ... but with all this sunshine? Right, Bob?

Oh well, let's see--IRI today, better
go on sick call. KRAZY CAT this after-
noon; date & party tonite.

Sat 0900-scene-dispensary

Well Doc, I've got the sore throat,
haven't had much strength in my saber
hand, don't think its anything serious-
nothing that some rest this morning
won't cure-ha-ha-ha----

Sat 1100 - hospital

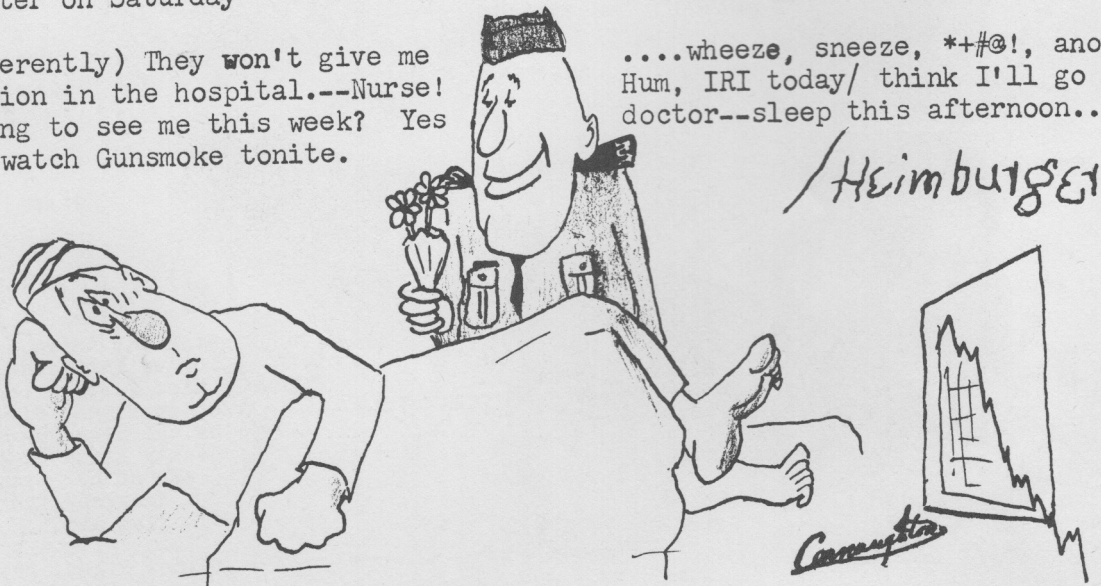

But nurse, I have a date tonite.
Those pajamas are too small. The
robe doesn't fit; what? I might get
a pass for tonite if the doctor comes
in--Well....OK.

Sat 1900

....but nurse, nurse, I don't want to
watch "Gunsmoke"...I have a date with
a woman. All week I've waited & planned.
You say he may be in within the hour?
Well, the date wasn't until 8, maybe I
can still make it...sure hope that
doctor comes, he wasn't in yesterday...

3 weeks later on Saturday

....(incoherently) They won't give me
my commission in the hospital.--Nurse!
Is he coming to see me this week? Yes

THE DODO
JOCK OF THE WEEK

In the light of such a stirring triumph as was seen Saturday, there can be no one, no ten, no twenty men cited for exceptional performances ... it was a team effort, a never yielding team effort, which cast a successful light over Falcon Stadium. Six men were credited with points in the record books - five times that number paved the way to these counters. In view of this we name as the DODO's first "Jock of the Week," the entire Air Force Academy team. And with this come our thanks and our prediction for several more weeks to be spent in victory!

On Sunday, 30 Sep, our Falcon soccer team tackles Colorado School of Mines in their annual charity meeting at Pueblo. Mines always fields a strong, upset-minded squad. The team would really appreciate it if several busloads of Cadets were present to aid them in duplicating last year's victory. We've got the buses...Go Falcons.

"Maybe I'm stupid, Julie, but how're you gonna wear my pin while you're taking a shower?"

"Oh, you had your..."

"You had your WHAT pierced?"

Dots & Doodles

Some girls are built like this one. Others are more like this

But they usually end up like this

Prof: How many revolutions took place in France during this period?

Soph: Four.

Prof: Enumerate them.

Soph: One, Two, Three, Four.....

Overheard: "I asked her if she wasn't doing anything that evening and she said she wasn't so I took her out and sure enough -- she wasn't."

Egotist -- A person who loves his mother and his father because they're parents of such a wonderful person.

Exitement teemed as the county spelling bee narrowed to only two contestants, the lawyer and the stableman. The next word called was "auspice." The stableman lost.

"I don't like the new little girl on our block. Her neck's dirty."
"Her does?"

BACCHANAL

"You still using that greasy kid stuff?"
