LAST WEEK'S SOLUTION

EDITORIAL

CHAPEL ASSAULT VEHICLE The Air Force Technological Center is testing on site at the AFA with funds from the Bangles Analysis Research Foundation (BARF) a new device that if successful, will always catch the enemy in their sleep.

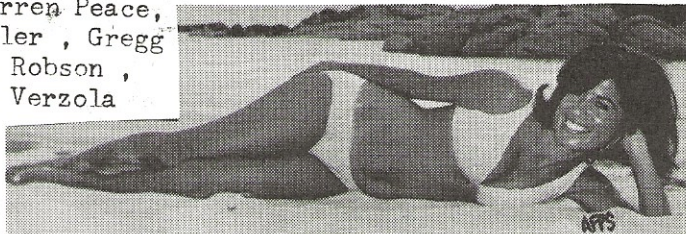

Once again I fondle my pen in a meager attempt to whip off a few lines of prose, and cons, about that interesting phenomna of Whoopiomyelitus. It seems that a certain boys school on the Hudson gets a particularly resistant strain of this dread disease each year just before they play the only real football team on their schedule. Many of their team are stricken and can be classified as little more than Paragloids. (A strange cross between a paraplegic and a mongoloid) Evidence of the effects of the malaise lies in the fact that their ends that can still move have greatly improved hearing (they can easily hear footsteps at forty yards), their running backs have trouble finding their holes, and their tackles have forgotten what the word meant. The Whoop Koach decided to run with a flowing Y this year, a split tail-back, a tight end and a full front. All in all it promises to be a action-packed game....at least until kick-off. See you there!

TOURNEY TO THE CENTER OF THE EARTH

PART II :

SYNOPSIS :

WHEN WE LEFT OUR ODD SQUAD
LAST ISSUE, THEY HAD COME TO
A LIKELY SPOT IN THEIR SEARCH
FOR AN OUTLET FOR THE WIND
BEING SUCKED INTO THEIR ALUMINUM
HOME.

IT'S GETTING PRETTY DARK IN HERE
AND THE WIND'S GETTING STRONGER.
WHAT SAY WE SET THE SACHEL
CHARGE AND BLOW?

WHAT SAY WE LEAVE THE
PUNS OUT OF THIS STORY, OK?

I'LL GO SET
THE CHARGE.

THE TIME FUSE IS SET — WHERE'RE
HARVEY AND MELBA — OH NO...

HERE? NOW?

I'M GOING TO TRY
AND FIND THEM SO WE
CAN GET BACK. WE'RE
SIGNED TO ATTEND THE
EVENING MEAL.

HARVEY... HARV — OOPS! @*#!

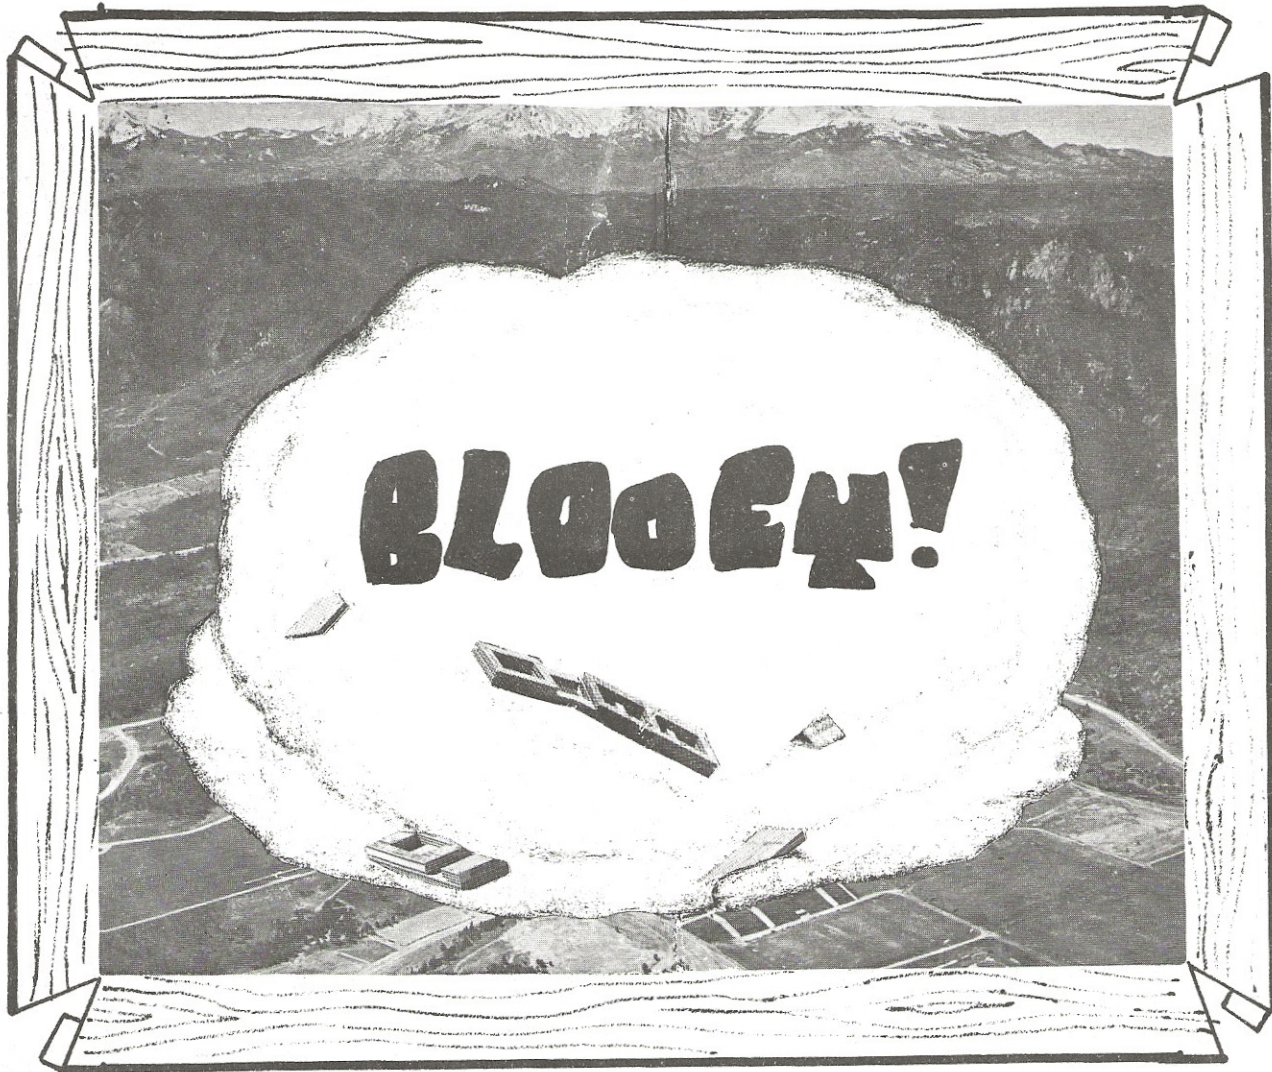

WHAT HAPPENED?

OH, NOTHING REALLY - I JUST
KICKED THE SACHEL CHARGE
AND IT'S NOW ROLLING BACK
DOWNHILL.

IT'LL ROLL ALL THE
WAY BACK TO THE ACADEMY!

NAW - IT'D TAKE TWENTY
MINUTES TO GET ALL THE
WAY BACK... HOW MUCH
TIME'S ON THE FUSE, ANYWAY?

GUESS.

(FREE CUTOUT! PASTE THE CORNERS TOGETHER)
(AND PUT THIS ON YOUR BOOKSHELF!)

WHAT'LL WE DO NOW?

SUCH A LINE.

WELL, THE PLACE WAS DESTROYED.

I WONDER IF 25¢ GPLD WILL PUT US ON REDUCED PAY?

THAT'S FUNNY - THE WIND HAS STOPPED. THE SUCTION MUST HAVE STOPPED, TOO.

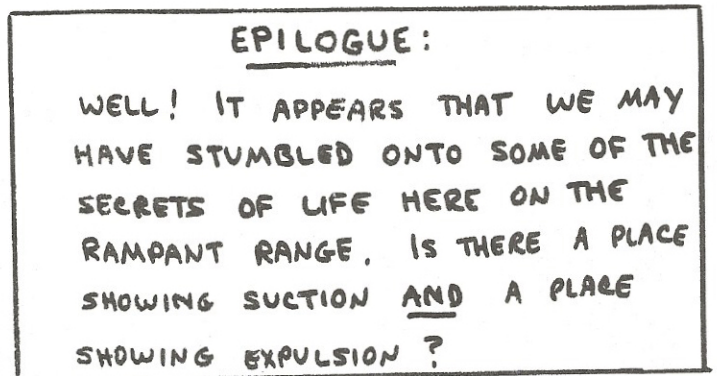

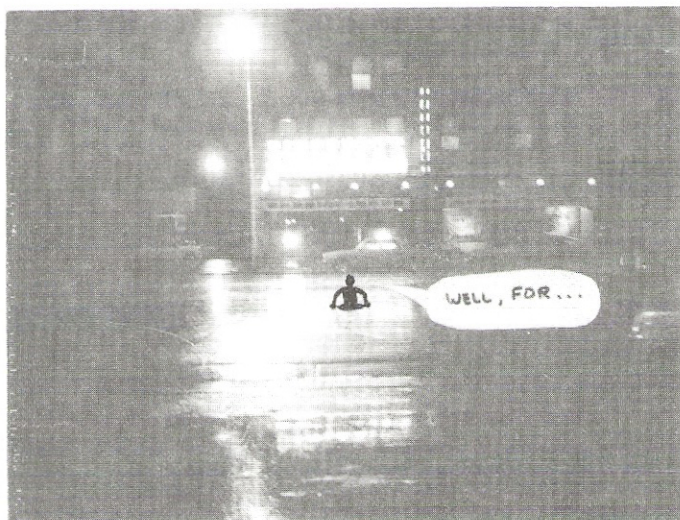

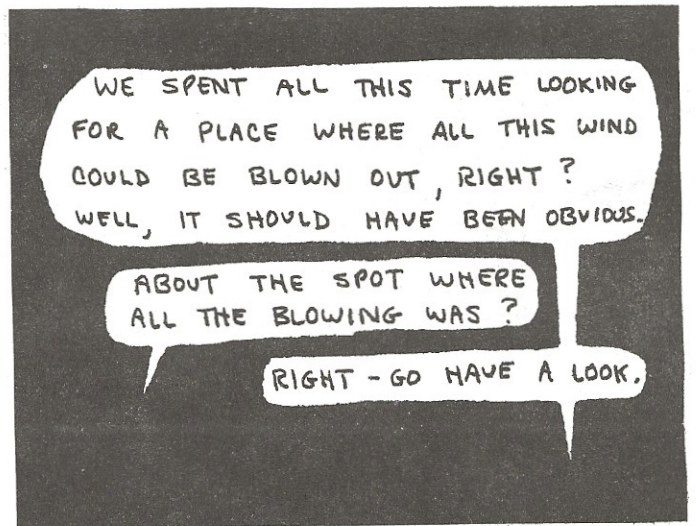

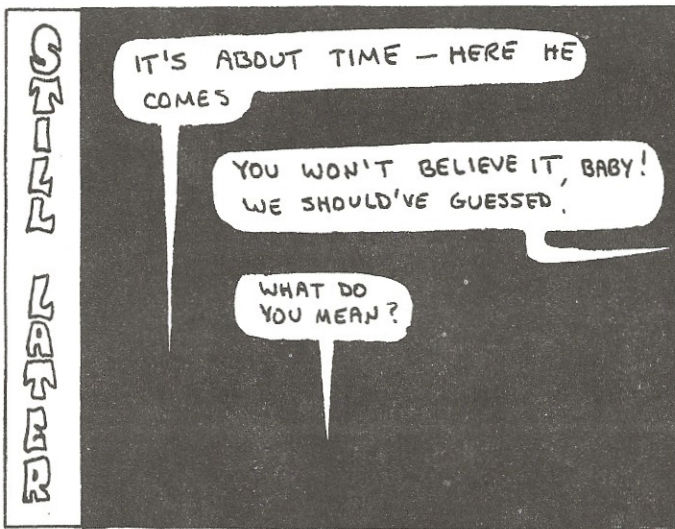

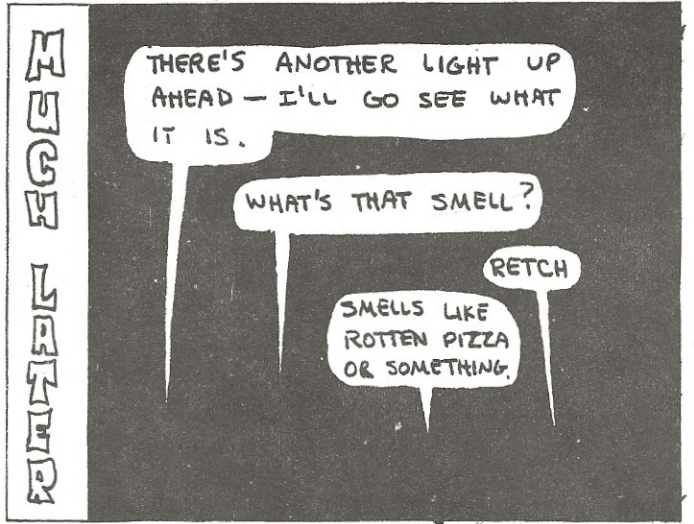

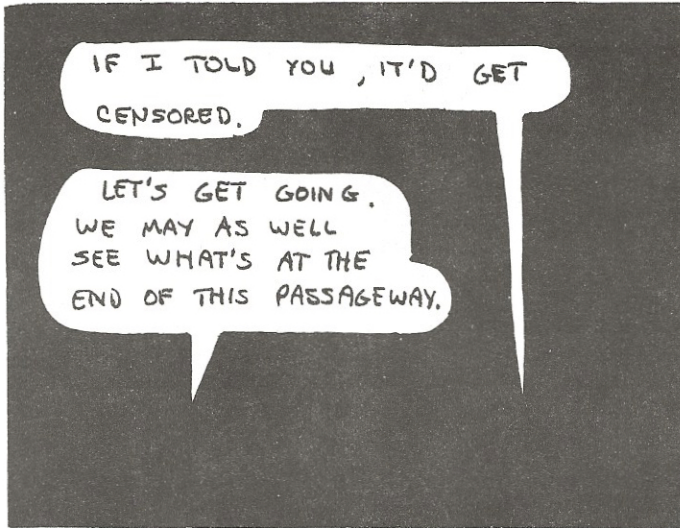

IS THE PASSAGE STILL INTACT?

YEAH, IT'S OKAY.

HOW DO YOU KNOW?

DOES A BEAR...

ALL RIGHT - BUT IF YOU'RE SO ALL-KNOWING, WHY WEREN'T YOU WORKING IN THE COMM SHOP?

Contest! If you know, take your answers to Rocky's Pizzeria, V-burg Hall, and get a grease job for only 50K!!

Item of personal interest: Are you a lover of solitude? Do you like to be alone? Attend the next talon Meeting. (Wretch).
We of the dirty hands (and minds, in some cases) return to splatter your minds with Smut--a monthly bowel movement published with the ~~last~~ interest of the CW in mind. Gut Geschmacken!!
Diagnosis: AFA plagued with a severe case of collective acne. Prognosis: Things will come to a head in the near future.
**Winged Warrior of the Week, Tilting at Windmills Dept(ie., expenditure of maximum energy in pursuit of most futile of goals)--General category: curriculum changes. It is rumored that some "Pinko Radical Social Science Majors" actually proposed a change in the ~~corpse~~ core curriculum. Prescription: Fall back 20 years and regroup for another thrust to the rear!!
Some rumored changes to same (add): MT 499--Study of E&E Measures; Summer Research in Comm Shop for Mil Arts(sic) and Sciences major.

Its hats off to the steely-eyed sergeant who, while hitch hiking on Academy Blvd spotted a cadet who was, in that worthy individual's opinion, going too fast. Exhibiting a fine sense of duty, he of course turned the cadet's sticker number into his AOC. The question which arises here is how this dutiful defender of individual rights of man over individual rights (sic) of cadets would have acted had the cadet stopped to pick him up. At any rate, four more and he's eligible for membership in the Dandelions, or whatever that club is. By the way--anyone knowing the penalty for hitch hiking in Colorado, send it into the Dodo Staph legal dept. This could be verry innnteresting.

Thought of the Week: Censorship

Thoughts on the net worth of thoughts on McCartney controversy:

Memo on the (shudder) thing of October 15: Reliable sources have informed this reporter that investigators have established that two doolies skipped classes on That Fateful Day (Ash Wednesday); furthermore, these same two were seen openly wearing black armbands. Their exact intentions are being subjected to further investigation. For more information, contact Sec. Flt.

STOP THE WAR IN JACK'S VALLEY!

FACED WITH RISING COSTS, THE POWERS THAT BE MUST NOW CONSIDER A DECISION — WHETHER IT IS MORE COST-EFFECTIVE TO CONTINUE THE PROGRAM OR TO SEND THE INVOLVED CADETS TO PUEBLO

IN AN ATTEMPT TO IMPROVE THE STRAIN OF WAITER STOCK.

PRESSURE IS INCREASING ON ALL SIDES, AND A DECISION IS EXPECTED SOON.

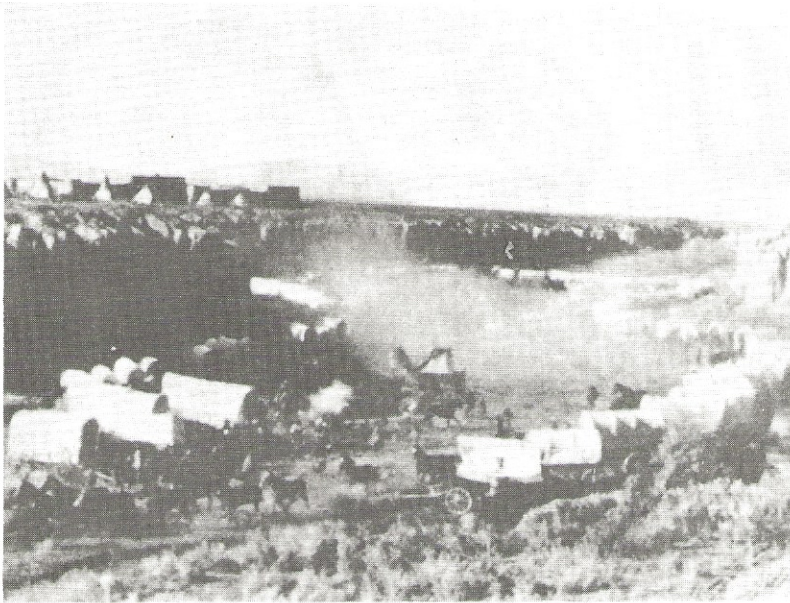

ONE OF THE BIGGEST PROBLEMS INVOLVED IN THE ASSORTED B _ S _ PROGRAM

IS REDIRECTION OF USAF PERSONNEL TO THE ARMY WAY OF "THINKING." THE PHOTO ON TOP SHOWS A TYPICAL DEFENSE BEING TAUGHT.

ANOTHER PROBLEM IS DUE TO THE LACK OF FUNDS. REALISM IS IMPOSSIBLE TO ACHIEVE BECAUSE OF THIS.

FOR INSTANCE, THE MEN AT THE LEFT HAVE BEEN GIVEN A TANK, BUT GAS IS IN SHORT SUPPLY.

AS IT NOW STANDS, THE STATUS OF THE PROGRAM IS OF MAJOR CONCERN, BUT MINOR INTEREST AND NO SOCIAL REDEEMING VALUE.

And then there was the cadet who broke his arm fighting for a woman's honor. It seems that she wanted to keep it.

Did you flush intake pipes?

Cop: Come on, Buddy, move along.
 Helmer: I live here, offisher.
 Cop: Why don't you go in the house.
 Helmer: I forgot my key.
 Cop: Why don't you ring the bell?
 Helmer: I rang the bell a half hour ago and nobody answered.
 Cop: Why don't you ring it again?
 Helmer: To Hell with 'em. Let 'em wait!

And then there was the guy who was so stuck on his own importance that he would call Dial-A-Prayer to see if anybody left any messages for him.

People who live in glass houses shouldn't.

Who was that lady I saw you outwit last night?

listened intently for the engine for a few minutes.
Finally he said to his shapely blonde date, "I wonder

"Maybe," she answered "it's opportunity."

Date: "If you do that I'll scream!"
Cadet: "If I do what?"
Date: "Well, aren't you going to do something?"

FORM FOR REMARKS (MANDATORY)

DATE

31 OCT 1959

I RATE CADET DOOLITTLE, CLASS OF 60
 NEXT TO LAST LAST. THIS RATING IS BASED NOT UPON VAGUE GENERAL IMPRESSIONS OR THE OPINIONS OF OTHERS, BUT UPON MY OWN OBSERVATIONS OF THIS CADET. I HAVE RATED HIM LOW FOR THE FOLLOWING REASONS:

1. He uses pink-striped toothpaste.
2. He got drunk at the last Squadron party and completely ignored his blind date.
3. At the Squadron party he danced too fast, perspired profusely, and grossed out my date.
4. I saw him firing off cherry bombs at a pep rally.
5. He doesn't like Connie Francis or Teresa Brewer.
6. He reads science fiction magazines.
7. He doesn't keep the room in AMI order on Sundays
8. He skips out of chapel.
9. I saw him making it with his girl on the bus coming back from Farrish.

IN MY OPINION, THIS CADET IS PROFICIENT DEFICIENT IN APTITUDE FOR COMMISSIONED SERVICE

I WOULD PREFER PREFER NOT TO SERVE WITH HIM IN A COMMISSIONED STATUS
