THE DODO

I HATE COMING BACK
FROM SPRING BREAK... WELL,
AT LEAST THE DARK
AGES ARE OVER...

APRIL FOOLS!
YOU HAD TO BE BACK
YESTERDAY!! FORMS-10
FOR ALL!!

FAB

THE PROLETARIAT PROPAGANDA PAGE

Here is where we test your ability to resist our attempts at keeping you away from your homework. Hah! I knew our methods would work! You pathetic working dogs of the lower garbage class!

You are holding an HISTORIC DODO. Believe it or not, this entire DODO went from non-existence to full birth and development in just over an hour And solely by the efforts of TAV, SLOW and FAB! The three stooges.

Well, back to the torture chamber. Hey, Daade! What's with the whip?!!

ETERNAL DODO STAFF

- Carson "TAV" Taverner '91
- Ben "SLOW" Malisow '93
- Jim "FAB" Fabio '94
- Nino Baldacci '59
- and of course "DICE" ↗

Hey! I'm in again!

Isn't it about time the wing brought back the Talon?

Not.

THE USAFA ACT

Heidman

(IAW AF Policy 5647-A3L, The USAFA Act must be read to the individual cadet prior to being written up on Form(s)-10(a))

1. You have the right to check "no excuse" and initial.
2. You have the right to check "help report" and initial.
3. You have the right to attach a Form-30.
4. You have the right to a jar of Dean Vaseline, which you may have with you at the Military Review Committee.
5. You have the right to bend over.
6. Anything you say can and will be used against you.
7. Anything you don't say can and will be used against you.
8. Anything your AOC makes up can and will be used against you unless there is reason to believe that someone else's story is better.
9. You have the right to be cynical. (3)

INTERIOR RACK GROUND ROUTE

Tired of a low MPA?

Then the XP-1 dart is for YOU!
It slices, it dices, it does loop-de-loops,
but best of all it'll get
you above a 3.5, guaranteed!
You know your AOC uses a
dart board for MPAs, you
have seen it! All you
have to do now is get
them to use your XP-1
dart and you'll have it made.
The XP-1 contains a programmable
microchip that knows when
your name is next. That's
when it goes into action!

Thrusters and movable fins steer dart to proper target! Thrusters don't appear until dart is thrown. Keeps AOC in the dark!

Compartment contains microchip programmable to your wishes!

Warts on nose contain FLIR and radar to guide the dart where you want it to go!

Needle is also a pitot tube!

ALSO AVAILABLE: Self destruct mechanism! Program it to blow up in your AOC's hand after the dart gets you your Comm's pin!

YES! The XP-1 has all you need. Just give it to your AOC as MPA time approaches and wah-lah! Instant success! So, if you've been itching to where a toilet bowl on your Uniform but never been given the chance, Make your move now!

Coming to a C-store near you. By the makers of DEAN VASELINE ... remember, it hurts less with Dean Vaseline.

Trying to solve the country's problems with Congressional oratory is like trying to untangle a traffic jam by honking your horn.

You know what I did for this?

I had 2 G.R.'s, 3 ski trips, a quiz, and the PFT. All during the WAR!

What did you do for yours?

When does Purple Heart issue go?

IN OUR LAST ISSUE YOU WERE WARNED ABOUT THE TERRIBLE CALAMITY OF BEING A PROBLEM RACKER.

REALITY SET IN OVER SPRING BREAK, AND NOW SOME OF YOU HAVE COME SCREAMING TO THE DODO DOORS FOR HELP! WELL, HELP THERE IS, AT THE NEW, DODO-SPONSORED

RACK CRISIS CENTER for KADETS

(OR R.C.C.K.)

Welcome to RCKK!
Where all your concerns are laid down and put to sleep!

FEATURING THE LATEST IN:

- CAFFEINE SHOTS
- SHOCK TREATMENT
- A PROGRAM OF RACK LUNCH TABLES
- FREE LECTURES ON DREAM ANALYSIS
- MATTRESS TECHNOLOGY

→ WE EVEN PROVIDE FREE "LOANER DRONES" SO YOU CAN GET CREDIT FOR CLASS WHILE TACKLING A REALLY TOUGH RACKING PROBLEM!

My wife looking mighty awake today, Mr. Rack.

LISTEN TO WHAT OTHER KADETS HAVE TO SAY:

After I went to RCKK, I only slept during the night call to quarters.

I used to rack 8, 9, 10 times a day! Now, with RCKK's shock treatment behind me, I only rack during ACQ.

I was an incurable, so instead of helping me quit, RCKK actually showed me how to get more out of each rack period!!

SO WHETHER YOU HAVE A PROBLEM IN CLASS, AFTER LUNCH, BETWEEN CLASSES, DURING ACQ, OR EVEN IF YOU ACTUALLY THINK YOU'RE GETTING TOO MUCH SLEEP AT NIGHT, GIVE US A CALL BEFORE IT'S TOO LATE!!

Hey, Buddy, instead of putting your head on your desk, why not give RCKK a call?

Jim, your racks are too fast and light. Call RCKK and let them show you what you're doing wrong!

I missed a RCKK appointment, and I didn't even get WRITTEN UP!!!

Now that's a real crisis center!

AN A.O.C. ONLY A MOTHER COULD LOVE.

HOW COME YOU DON'T HAVE A SHIRT ON IN YOUR OWN ROOM?

WHO SAID YOU COULD DO LAUNDRY DURING A.C.Q.?

HOW COME YOU'RE WATCHING T.V.? I THINK YOU SHOULD BE STUDYING!

SO WHAT IF YOU GOT YOUR HAIR CUT YESTERDAY. I THINK YOU SHOULD GET IT CUT AGAIN!

TAKE OFF THAT HAT! I DON'T THINK IT GOES ALONG WITH U.O.C.

I JUST LOVE TO TRAIN CADETS!

... OH, YOU'RE A THIRD CLASS MAN. AT LEAST YOU HAVE AN EXCUSE...
