

Well, this is goodbye. I can't begin to say what a good experience the DODO has been for me. I've learned a lot about what the AF will allow and what it suppresses (yea, I still haven't learned to spell).

I feel I've contributed a significant thing to the wing, and I truly thank everyone in the wing who has been behind me all the way. "Put the word on the streets!"

Don't worry about next year, because I'm leaving the shop in good hands. A motivated editor, Ben Malisow, and some really good artists (for once!) But still no commitment. Since this is the Editors' page, I suppose I should let Slow have a few words.

"HI EVERYBODY, NEXT YEAR'S..."

O.K., that's enough Slow.

But seriously, folks, I think I should leave you with some important words that I've always wanted to say, but never did because the DODO isn't serious. And those are that nothing is serious, and nothing is sacred. I don't know what kind of believers you are, but nothing matters in the end except whether or not you go to the good or the bad place. And I hope to see all of you in the good place cuz that's where I'm going.

Don't ever hide the truth, not even for something apparently important, like a career. If something needs to be said, SAY IT. And if things happen because you opened your fat mouth, SO BE IT. What's one individual compared to THE TRUTH? Never get bent-out-of-shape and realize that just because you can't say whatever you want in the AF, doesn't mean you're being censored. Stick to your values, not your desires, and remember that trust is something you give, not get.

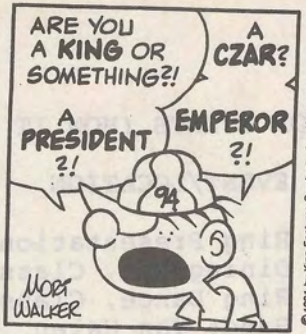

I LOVE LIFE and no matter what happens to me, that will always remain unchanged. I hope the same is true for you. Later,
NOTHING HAPPENS UNTIL IT HAPPENS (2) TAX

WHERE CADETS GO TO FIND INSPIRATION

WITH LOVE ALL THINGS ARE POSSIBLE

This paper was sent to you for good luck. The original is in New England. It has been around the world nine times. The luck has now been sent to you. You will receive good luck within four days of receiving this letter, provided you, in turn, send it out. This is no joke. You will receive good luck in the mail. Send no money. Send copies to people you think need good luck. Don't send money as fate has no price. DON'T KEEP THIS LETTER. IT MUST LEAVE YOUR HANDS WITHIN 96 HOURS. An RAF officer received \$470,000. Joe Elliot received \$40,000, and lost it because he broke the chain. While in the Philippines, Gene Velch, lost his wife six days after receiving the letter...He failed to circulate the letter. However, before her death he received \$7,755,000. Please send 20 copies and see what happens in four days. The chain comes from Venezuela and was written by Saul Anthony DeGrop, a missionary from South America. Since the copy must tour the world, you make 20 copies and send them to friends and associates. After a few days you will get a surprise this is true!

Constantion Dias received the chain in 1955. He asked his secretary to make 20 copies and send them out. A few days later he won a lotte y of two million dollars. Carol Daddit, an office employee, received the letter and forgot it had to leave his hands in 96 hours. He lost his job. Later and after finding the letter again, he mailed twenty copies. A few days later he got a better job. Dalan Fairchild received the letter and not believing, he threw the letter away, nine days later he died. In 1987, the letter, received by a young woman in California was very faint and barely readable. She promised herself that she would retype the letter and send it on, but she put it aside to do later. She was plagued with various problems including expensive car repairs. The letter did not leave her hands in 96 hours. She finally typed the letter as promised and got a new car.

REMEMBER...SEND NO MONEY....DO NOT IGNORE THIS!

WHICH ONE WOULD YOU RATHER WRITE?

Army ROTC— It's more than just free tuition and 100 bucks a month.

You see, employers look for just the kind of experience we provide—ruthlessness, discipline, and the ability to get up at 5:00 a.m. and chant rhymes about having sex with other men's mothers while jogging.

So don't get trapped with some faggot liberal arts pansy degree. Be a real man in Army ROTC. Don't be afraid to kick a little butt once in a while.

BEAST PHILOSOPHY:

HOW BCT HAS CHANGED OVER THE YEARS

THE ATTITUDE

IN 1960: "RUN 'EM ALL OUT"

"Squat thrust over my bayonet filth and I'll see how tired you really are!"

THE ATTITUDE

IN 1970: "50% ATTRITION IS A JOB HALF-DONE!"

"Don't plan on going home 'till next summer because wads have no Thanksgiving, X-mas, or Spring leave to look forward to!"

THE ATTITUDE

IN 1980: WEED OUT THE
WEAK & UNWORTHY

"Only seven chews maggots; that's three more than my BEAST!!"

THE ATTITUDE

IN 1990: DON'T BRING
IT WEAK

"Quit whining; you can cry over the phone every weekend you ~~are~~"

THE ATTITUDE

IN 1991 + ???: DON'T WORRY
BE HAPPY

"I'll be back with some Kleenex if you sit tight."

We can thank Congress & the Dean for the kinder, gentler philosophy which will make fine peace-time MICRO-MANAGERS. —
