ARIES (March 21-April 19): Someone close to you is in the limelight. Show more confidence in this person's ideas and abilities. You can be a tower of strength to a friend in need.

TAURUS (April 20-May 20): Discuss what you have in mind with other household members. Otherwise, you could overlook something. Protect your assets.

GEMINI (May 21-June 20): Be vigilant today. Watch your business competition for tricks and unfair methods. You are not the only one bewildered by a recent chain of events.

CANCER (June 21-July 22): Put your reputation first when negotiating a contract. Failure to do so could result in serious financial losses. Brash acts could land you in the poorhouse.

LEO (July 23-Aug. 22): Get as far ahead as you can with a special project. The favorable atmosphere that prevails now could suddenly change. Romance is much more than you expected.

VIRGO (Aug. 23-Sept. 22): Scrutinize business plans with a magnifying glass. A private matter is finally settled to your satisfaction. The evening favors relaxing pursuits with your family.

LIBRA (Sept. 23-Oct. 22): Take stock of your special qualities and talents. You may be able to capitalize on them, even if you must work in secret. Taking someone at face value would be a mistake.

SCORPIO (Oct. 23-Nov. 21): Do not be content with just thinking, wishing or planning. If you take direct action now, you will soon have extra money in the bank.

SAGITTARIUS (Nov. 22-Dec. 21): Leave nothing to chance. Allow for possible delays. Refuse to let a disappointment become an

BUSH'S SHOCKING NEW PEACE PROPOSAL

-AP, Washington, D.C.: President of the United States, the Honorable George Herbert Walker Bush (pictured left, for the Class of '95) released a stunning new plan for bringing about world peace. In the president's own words: "We will continue to disarm our nuclear stockpile unilaterally, keep working on our New World Order, maintain the ceasefire in the Middle East, and provide free copies of the Dodo to every man, woman, and child on the face of the planet."

Republican Sonny Bono may run for Senate

THIS IS THE RUMOR sweeping California — by the end of this month, Palm Springs Mayor Sonny Bono will formally announce his intention to run for the US Senate on the Republican ticket.

Don't laugh — Sonny has tremendous confidence in himself.

He's become inured to criticism, including the slings and arrows of his ex, Cher. It just rolls off his back. Perfect attitude for a national political career.

Who gets piece of Trump rock?

■ Donald Trump and Maria Maples are once again fini, and the only question left is: Who gets the magnificent 7.45-carat diamond engagement ring?

Donald? Maria? Or the jewelry store?

EDITOREZ PAIGE

Well-

Three issues in a row without being fired yet. Wow. I'm gettin' nervous now.

What I really need to make my life complete is a pair of those nifty spirit pants. You know- the Smurf camoflauged that's standard issue for the cheerleaders. I would go out and buy some from the Visitors' Center, but I was saving up Magic Money for my mess dress, and those pants cost more than my books this semester. What pattern is that, exactly? I want to say tiger-stripe for SWAT teams, but that can't be right.

So hey, how 'bout them bombs? Notice that we haven't got any? I guess we don't have enemies anymore. Everybody loves the good ol' U.S. of A. Gee, it sure is going to be tough making good movies now; you try writing a script based on world peace. Booring. The sequel to "Dr. Strangelove" would be real different....

Ambivalent regarding grades? Good, keep it up. See you at Arnie's when you're on AcPro. Blowin' off the military? Good, keep it up. Work less and go out more. Priorities of USAFA.

OK, look, we're the Best and the Brightest, right? Top 10 Percent of the Nation, and all that. Well, carry your damn book-bag then. I'm really getting tired of watching folks drape the straps over their arms like their hands have been wracked by arthritis. Or when they do that cute trick where the bag isn't on the Shoulder, 'it's hanging off the side, right?' Right. After I told a four-degree on the Powerlifting Team to hold the bag in one arm, I had one of my classmates tell me that there was no reg outlawing carrying the bag like an infant. Hey, man, there's no reg about sexually molesting waffles, either, but if I catch someone doing it, I'm going to make them stop. Or take pictures, at least. And this isn't just a Four Smoke thing, or a Female thing; it's a Wing-Weak problem.

Everyone has been so helpful in bringing the Dodo to life. I just get warm fuzzies when someone comes up and says, "Hey, good Dodo." Ummm... Could you be a little more SPECIFIC?? What did you like? The name of the magazine?? How 'bout giving me a little more to go on, hmmm? If you could assist in narrowing down that Funny/Stupid gap, it would be a big help.

Well, depending how long this thing sat on the Censor's desk, I want to wish the football team luck with Navy, or congratulate them on winning. You know, it's getting hard to dog a team that's winning. I guess the Wing just isn't used to it. I don't know- I remember way back in the good ol' days when we got an ODP or two for at least scoring in a game. Winning four straight?? What did we get- a Spirit Dinner with Spirit outlawed and a bonfire during AcCall the week before Prog. Uh, guys, can we talk?

I've been trying to convince the Behavioral Science folks to change their name to Organizational Knowledge. Think about it: instead of having a BS GR, you'd have an OK GR. And I'm not even a psychologist or anything.

It sure is good to see '93 maintain the masthead of Class of Ambiguity. What's the deal with Ring Dance? Pizza Hut is closed that weekend? Let's order from Domino's in early April; quicker than 30 days or it's free. Then there's '94 competing for a close second in the Arbitrary Race. Wellllll, you can talk to the freshmen. All right, you can look at them. You can look at them using peripheral vision. You can be in the same building. Are you sure you're a cadet? Who said so? As for firsties...well, I've been seeing you in the squad every night, so stop snickering. Four degrees- get your chins in.

Everybody else- this is our magazine. Ask somebody for a buck and a half, and go get a copy of MAD. - SLOW

Dear fellow humyns:

It has come to my attention that, despite my best efforts and those of the enlightened college students across the country, inherently racist, sexist, and bigoted institutions exist at your Academy. We'll ignore the fact that the military is unabashedly homophobic (and need we mention blatantly heterosexual?) and offer three suggestions:

1. Change the "Bring Me Men" ramp to "Bring Me Politically Correct, Liberal-Oriented Higher-Order Primates," a less offensive term.

2. Stop discriminating against those who dislike authority by calling them "slugs." A more appropriate term would be "people of tours."

3. No longer refer to us as "granolas." We are the Hierarchal Order of the Minorities' Orthodox Sect (HOMOS for short.)

Thanks and have a pleasant, non-offensive day.

DEAR DODO STAFFERS,

YOUR PAPER IS REASONABLY HUMOROUS AND IT SEEMS TO PERFORM ITS' DUTY RATHER WELL (ALTHOUGH THAT DUTY IS SOMEWHAT AMBIGUOUS), BUT THERE IS ONE PROBLEM WITH YOUR PUBLICATION; A TOTAL LACK OF FOCUS ON ISSUES RELATING TO THE FRESHMEN CLASS. YOU MAY BE WONDERING WHY YOU SHOULD STOOP SO LOW AS TO ATTEMPT TO APPEASE THE MEASLY 'DOOLIES' WHEN THEY SHOULD BE WORSHIPPING YOU FOR YOUR MERE EXISTENCE, BUT THE MAIN REASON IS SIMPLY THIS; WHERE ELSE ARE THEY GOING TO GET GOOD HOME-COOKED USAFA HUMOR? WE (I ADMIT IT, I AM ONE OF THESE LOWLY CREATURES) HAVE LITTLE CONTACT WITH THE OUTSIDE WORLD AND AS YOU ALL KNOW, THE INTENSITY HERE LEAVES LITTLE TIME FOR MERRIMENT; SO WHERE ARE THESE DEPRIVED ENTITIES GOING TO TURN FOR RELIEF? THE DODO!! INCLUDING THE FRESHMEN CLASS IN YOUR PAPER MIGHT ALSO PROVIDE YOU WITH A NEW AND UNTAPPED SOURCE OF MATERIAL FOR FUTURE ISSUES. SUGGESTIONS INCLUDE: A LIST OF TABLE POSTS TO USE AS LAST RESORTS (IF YOU FAIL TO SEE THE NEED FOR THIS, ASK ANY UPPERCLASSMAN WHEN THEY LAST HEARD A FUNNY JOKE AT THE TABLE), OR A COLUMN EXPLAINING THE JUSTIFICATION FOR TOTALLY RIDICULOUS FRESHMAN DUTIES, LIKE MEMORIZING MEALS, OR DAYS UNTIL COMMISSIONING. IF MORNING AND NOON MEALS ARE MANDATORY, WHY DOES IT MATTER IF YOU KNOW WHAT THEY ARE GOING TO BE, AND IF YOU REALLY WANT TO KNOW HOW MANY DAYS YOU HAVE LEFT, WHY CAN'T YOU JUST KEEP TRACK OF THEM YOURSELF. I AM NOT THE TYPE OF FRESHMAN THAT IS GOING TO WHINE ABOUT HAVING TO WORK HARD BECAUSE THAT IS PART OF THE REASON I CAME HERE, BUT I FEEL THAT ONE OF THE MAIN PURPOSES OF THE ACADEMY IS TO PRODUCE THINKING LEADERS. BLINDLY OBEDIENT GRUNTS ARE THE PRODUCTS OF MARINE CORPS BOOT CAMPS. WOW, WHAT A TANGENT. IN ANY EVENT, IF YOU GUYS ARE AS FUNNY AS YOU CLAIM, AND I BELIEVE THAT YOU ARE, YOU CAN UNDOUBTEDLY SEE THE HUGE POTENTIAL FOR HUMOR BASED ON, OR RELATING TO, THE CLASS OF 1995; YOU MIGHT ALSO CONSIDER ADDED A FRESHMAN CONSULTANT (EVEN A HYPOTHETICAL ONE) TO YOUR STAFF. IF YOU ACTUALLY WANT TO MAKE AN ADDITION TO YOUR STAFF, I WOULD BE REALLY INTERESTED IN JOINING. JUST DROP A NOT-SO-SUBTLE HINT IN THE NEXT ISSUE AND I WILL RESPOND.

SEVERAL OTHER TOPICS YOU MIGHT CONSIDER FOR FUTURE ISSUES: SNOW-WHITES' INCREDIBLY LOW RATES AND EXTRAORDINARY SERVICE. THE UNQUESTIONABLE PERFORMANCE OF FALCONET. A FRESHMAN 'BLOW-OF-THE-MONTH' COLUMN WHERE YOU DISCUSS EXAPLES OF SLACK SMACKS. THE YEARBOOK ALREADY DOES CLASS PICTURES

02 Hello, you've reached [name]. I'm far too busy micromanaging to answer your call, but if you leave your name, SSN, extension, the date and time, blood type, the temperature at the time of call (in Celcius), and your astrological sign, I'll return your call when I finish the appropriate paperwork.

THE CONTINUING ADVENTURES OF CADET X

On 01 APR 91, Cadet X was seen wandering around Sijan Hall wearing only a "The Pride Starts Here" T-shirt from BCT and a smile. C1C Y stopped him and promptly reminded him that he should be in UOD until the flag went down and that his shirt was inappropriate. Cadet X thanked him, removed the offending T-shirt, T-shirt Z, and continued on his way.

One hour later, Cadet X was halted by Colonel A, not a man known for his sense of humor, who wondered aloud why Cadet X was stark naked. Cadet X replied by using a so-called "Jedi Mind Trick," wherein he convinced the colonel that he was not only wearing clothes but that he had an excellent uniform. Colonel A thanked him for his effort, shook his hand, and went back to his office to start the paperwork for Cadet X's Medal of Honor.

By this point, it was time for noon meal formation, so Cadet X ran back to the room and grabbed his service cap, then headed out. There was some commentary on the quality of his eagle on the way out of the dorm, so Cadet X decided to watch formation from the chapel wall instead of attending itself, as he felt that he was not up to walking over to the Alternate Uniform Formation due to a biological difficulty he refused to discuss.

The tourists were excited by his presence among them, as this was their first opportunity to talk with a cadet. Cadet X became enraged by their prodding and lashed out, bringing all of his unarmed combat skills to bear on the crowd, some of whom are still hospitalized.

Following this incident, Cadet X went to lunch in Mitchell Hall. When he arrived at his table, he demanded a bottle of tequila from the waiter, Mr. B, who responded that he hated cadets and that Cadet X could kiss part of his anatomy which is better left to the reader's imagination. Cadet X immediately embedded a fork in the waiter's forehead, killing him instantly and with him any hope the table had for getting seconds. Cadet X took advantage of the confusion to escape the grasp of the enraged cadets at his table and leapt up the stairs to the Staff Tower, stealing the plaque-and-sabre that was being awarded to a band of Nazi war criminals and declaring that he was replacing the wing staff, C1Cs C-P and C2Cs Q-BB, with a military junta with him as Presidente-for-Life. He was immediately restrained by the Nazis with no small loss of life resulting (mostly stab wounds from the sabre).

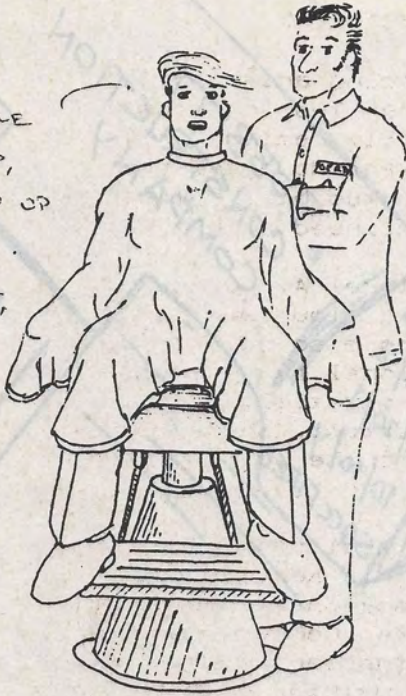

OUTCOME: At a CDB held 04 APR 91, punishment was deemed inappropriate as Cadet X did win the Medal of Honor. He was restored to the position of Presidente.

DODO TAILS

I've never been accused of being the smartest guy around. So when I found myself doing tours, I didn't think much of it. But, you know, pretty soon the novelty of posing for tourist photos wore off, and I had sung the theme song to every after school cartoon, every sitcom, and every movie, so I decided it was time to move on to other things. Unilaterally.

This is where the Tiger Ten Drunk Driving Hotline comes in. The Hotline is one of the best-kept secrets at USAFA. Every night you sit, one tour/confinement comes off your record. Every trip you make out the gate is one more. A night with four trips- five tours. What a hook!

So I walk into the Hotline Room in CS-10 at 2100 one Friday. The CQ had given me the keys to the Hotline Car and told me to read the Book. So I open this book, and glance at the first page, and I notice something: no officer has ever SEEN this setup. The words....MAKE SENSE. There are NO UNNECESSARY PARAGRAPHS. It is written in normal, PLAIN, EASY ENGLISH. I nervously glanced over my shoulder- what if an administrator saw this?? How do they keep it secret from the CS-10 AOC? I quickly shut the book and slid it under the bed unit. I wiped my sweaty palms on my jeans and picked up the phone.

Minutes later, a small group of revelers paraded into the room, bearing gifts: food, drink, and a VCR.

Hey, if I'm being punished, I'm going to enjoy it.

Shortly after the Miller High Life Bikini Team had arrived, I got my first call. "Tiger Ten, we don't stop, so drink 'til you drop," I answered. The person on the line mumbled something about a Seven-Eleven in the Springs, and having SOD at 0600. I assured everyone I'd be back soon, and made them promise to put the valet back in the wall when they were done.

I ran down to the Vandy lot and hopped into the Hotline Car. No, literally, I hopped into the car. It's a pre-crustacean Ford Escort with a CWXR (what does that stand for, anyway?) sticker slapped on the side, and a pitot tube leading to the carbeurator.

Even with all its faults (no CD player!) I still appreciated the Hotline Car. I sure don't want some cadink in my car doing an Exorcist some night; projectile vomiting over my shoulder into the glove compartment.

I sped (yeah, right) down into CoSprings to pick up my charge. Unfortunately, there was noone at the first 7-11 I came to -except for the Pakistani behind the counter- and I ran back up to the Hill. Oh well, another tour complete. And I was just in time for the Jello!

Before we could stuff the ibex, I got another call. This inbred moron started slurring threats into the phone: if I didn't drive down to Pueblo in twenty minutes, he'd tell his buddy in Tenth Squad to negate my hard work that evening. I tried convincing him to try to drive himself back, but he was too far gone to understand English. So I put my shirt back on and went to get him.

I found him on the shoulder of the road, rubbing tar in his eyes and screaming about some prostitute. I slowed to 50 to let him jump in, and busted back to the Zoo. The whole way there, he explained to me that half his family was incarcerated in Minnesota for various felonies, and did I want to fight him? I suggested he look in the glove compartment, a freshman had left him something the night before.
